Dear Ms Wyles,

Regarding the Decision Notice ref FER0689234 I am pleased to inform you that the emails requested have now been obtained and released to the complainant with minor redactions of personal data.

However the Parish Council agreed at their meeting on Monday night to appeal against the decision on a matter of principle as detailed in the attached notice.

I have attached a copy of the Appeal Notice for your information.

Should you wish to see the emails referred to please note that they are 147 pages amounting to 88MB of data. They have currently been disclosed to the complainant as a Dropbox link available for 30 days.

For your information Ms Dexter also contacted the Examiner appointed for the Neighbourhood Plan process who requested a report on the matter. For completeness I have provided you with a copy of his directions and the council's reply.

I hope that this information (subject to the appeal) is sufficient response to your Decision notice. Please let me know if you require any further information.
