Supplementary Directions 5

1. I make the following further supplementary directions in respect of matters arising as a result of the delay caused by considering of matters relating to the Information Commissioner's Decision Notice of 13th September 2018 and the emerging South Oxfordshire Local Plan.
2. These Supplementary Directions, shall promptly be made publicly available on the website. They shall also be sent to the participants at the hearing and other regulation 16 respondents.
3. A draft the South Oxfordshire Local Plan Publication Version (2034) was published alongside the papers for the Scrutiny Committee on 13th December 2018. This may be modified in advance of the Cabinet and Council meetings scheduled for 18th and 20th December respectively.
4. This is an emerging plan. The development plan to which basic condition (e) applies is the adopted development plan. However the reasoning and evidence informing the emerging local plan process may be relevant to the consideration of other basic conditions against which I am testing the neighbourhood plan.
5. I consider that participants should be given an opportunity to comment on any changes that the version of the emerging Local Plan that is placed before the Council on 20th December.
6. I direct that any comment on these changes should be provided by 4.00 pm on Monday 7th January 2019. The comments should relate solely to the version of the emerging Local Plan that is placed before the Council on 20th December and to any decisions in respect of that version made at that meeting.
7. This is should not be treated as an opportunity to comment on matters that have not changed.

8. All communication with me including that provided for above shall continue to be through Mr Townley.
