Notice of publication and Statement of Representations Procedure for a Further Examination Publication regarding Changes to the South Oxfordshire Submission Core Strategy

Title of the document
Schedule of main modifications for South Oxfordshire Submission Core Strategy July 2012

The subject matter
South Oxfordshire District Council has prepared the South Oxfordshire Submission Core Strategy Development Plan Document, covering the whole area of South Oxfordshire and submitted this document to the Secretary of State on 18 March 2011. The strategy sets out our vision for South Oxfordshire to 2027. It shows how we have developed a strategy that responds to our vision and how we will deliver it by working in partnership with everyone with a stake in the future of the district.

The Core Strategy is now being independently assessed through a public examination. The Inspector, Mr Roy Foster, has identified some changes to the Core Strategy put forward since the most recent hearing sessions that he considers should be advertised for public representations to be made on their soundness or otherwise.

Representations period
Representations are invited on the core strategy main modifications schedule of changes only for a period of six weeks beginning on Tuesday 17 July 2012. Representations should be made on the prescribed representations form and returned to the address below, by no later than 5.00 pm on Tuesday 28 August 2012 precisely. Only those comments that are made in writing/email and arrive at the address (or email address) shown below within the time period specified will be considered.
