

East Hagbourne Neighbourhood Development Plan

Independent Examiner's Clarification Note 2

Context

I am grateful for the comprehensive response to the first Note.

This note follows on from the first Note. Its focus is on the representations made to the Plan.

Representations made to the Plan

Does the Parish Council wish to make any observations on the representations to the Plan that have been received by the District Council?

Protocol for responses

I would be grateful for any observation from the Parish Council by Wednesday 9 January if at all possible. Please let me know if this timetable may be challenging to achieve. If appropriate I am happy to receive the information on a piecemeal basis.

Irrespective of how the information is assembled please can any comments be sent to me by the District Council and make direct reference to the representation concerned.

This Note has the same status as the initial Clarification Note. On this basis I would ask that the District Council publishes both this Note, and any observations which the Parish Council may wish to make, on its website.
