17 December 2019

Dear Mr Ashcroft

Sydenham Neighbourhood Development Plan – South Oxfordshire District Council response to Examiner’s Clarification Note of 2nd December 2019

In your clarification note dated 02 December 2019 you raised the following points for the District Council to address:

What is the current position with the emerging South Oxfordshire Local Plan?

Regarding the position with the emerging South Oxfordshire Local Plan, on 9 October 2019 the Secretary of State for Housing Communities and Local Government issued a temporary Direction on the Council in relation to the emerging Local Plan 2034. The temporary Direction has been made under the provisions of Section 21A of the Planning and Compulsory Purchase Act 2004 (as amended). This means that the emerging plan has 'no effect whilst the direction is in force', this is set out in section 21A(2) of the Planning and Compulsory Purchase Act 2004 (as amended). On 23 October 2019 senior council officers from South Oxfordshire District Council met officials from the Ministry of Housing, Communities and Local Government in London to discuss the temporary direction relating to the council's emerging Local Plan 2034, which was issued by the Secretary of State on 9 October 2019. Following the meeting, the temporary direction remains in place, discussions between the council and the government on this matter are continuing.

Yours Sincerely,

Cheryl Soppet
Planning Policy Officer (Neighbourhood)
