

Schedule of changes

The examiner originally issued his examination report on the 29th March 2019, following this he has updated the report and reissued it on the 12th April 2019.

The purpose of this document is to provide clarity to the reader of the changes that have been made by the examiner since the original report was published. The changes are as follows:

- changes to the contents of paragraph 40
- new paragraph 60
- new recommended modification 12 - this has resulted in subsequent renumbering of recommended modifications 13 to 23. Renumbering beyond recommended modification 23 was not necessary due to the amalgamating two former recommended modifications into new recommended modification 23.
- new paragraph 73.
