Dear Robyn,

Thank you for sharing the Heritage Statement (Asset Heritage Consulting, April 2021) commissioned by Crowmarsh Parish Council, in response to our letter dated 9<sup>th</sup> March 2021.

We welcome the commissioning of this report and fully support its recommended mitigation measures to turn the rectangle footprint of the allocation through 90 degrees, restrict its height to two storeys and reinstate the tree line planting along the allocation's western boundary. On this basis, our primary concerns with the plan have now been addressed.

It may also be helpful to the Examiner if the statement was accompanied by an updated site plan that illustrates the recommended alternative allocation that is now proposed.

I hope these comments are helpful to the Examiner and the Parish. Please contact me if we can be of further assistance.

Yours faithfully

Andrew Scott
