Please remember that we suspend garden waste collections over the holiday period to concentrate on Christmas waste collections. Collections resume in South Oxfordshire w/c 10 January 2022 and in Vale w/c 18 January 2022. For more information please see our garden waste page on our website.

Collections affected by bad weather

If we cannot empty your bins when the roads are unsafe due to snow or ice then please leave your bins out for two days after your scheduled collection day and we will try to catch up. If that's not possible we will empty them next time they're due and if it's a black bin week you'll be able to leave out up to one bin load of extra waste next to the bin.

If collections are disrupted by bad weather we will post updates on our website, Facebook and Twitter, and we'll send notifications out to the BINZONE app.

We can help you...

Reduce your waste – We have great tips on reducing your food waste as well as information on how you can get broken or damaged items repaired. This will reduce your waste and save you money. We can also help with getting rid of your real Christmas tree after the holidays. See our Christmas waste page on our website.

Reuse items – as well as simple steps such as taking reusable bags when you do your Christmas shopping, why not reuse wrapping paper? If some can be salvaged after the opening of presents, it can be kept for next year. This helps reduce waste and save money. We have more tips on our website.

Recycle more – Have your fairy lights lost their flash? We can take these and other small electricals for recycling. Just wrap them in a carrier bag and put next to your black bin on collection day. See our website www.morerecycling.co.uk which has top tips on those tricky recycling questions.

Our call centre is open for queries from 9am - 3pm on 24 December, 9am - 5pm on 29 and 30 December and 9am - 3pm on 31 December on **03000 610610**
