

## Woodcote Neighbourhood Development Plan Review

### Independent Examiner's findings on the significance or substance of the modifications proposed to the Neighbourhood Plan

#### *Context*

This note sets out my findings on the significance or substance of the modifications proposed to the Neighbourhood Plan.

It has been prepared in accordance with section 10 (3) of Schedule 1 of the Neighbourhood Planning Act 2017. In general terms the examiner is required to make an assessment on proposed reviews of neighbourhood plans on two matters. The first is the need or otherwise for an examination. The second is the need or otherwise for a referendum in the event that an examination is required.

The contents of this note need to be considered by the Parish Council.

#### *Findings*

I have read the submitted review of the Neighbourhood Plan and compared it to the 'made' Plan. I have also visited the neighbourhood area so that I can understand the issues more clearly.

In addition, I have read the statement prepared by the District Council on this matter.

Having considered all the information, including the representations received on the Plan, I have concluded that the significance or substance of the modifications proposed to the Neighbourhood Plan by the Parish Council is such that it requires both an examination and a referendum. In this context, I have concluded that the proposed modifications are so significant as to change the nature of the Plan.

I have reached this decision for the following reasons:

- the submitted Plan includes several policies which are material modifications to the neighbourhood plan;
- in particular the submitted review of the Plan includes four proposed housing allocations in Policy HS1 (and which are then elaborated on a site-by-site basis in Policies HS6-9); and
- the submitted review of the Plan is responding to South Oxfordshire Local Plan 2011 to 2035 whereas the 'made' Plan responded to the South Oxfordshire Core Strategy. In particular, the submitted review has grappled with the housing requirements of the adopted Local Plan.

### *The Next Steps*

Schedule 1 of the Neighbourhood Planning Act 2017 section 10 (4) requires the qualifying body to respond to this finding and in particular:

- to advise whether it wishes to proceed with the proposal or withdraw it, and
- to notify the examiner and the local planning authority of that decision.

I would be grateful if you would address these matters and advise accordingly.

### *Other Comments*

For clarity, this note relates only to the examination process. It does not address the extent to which the Plan meets the basic conditions.

In the event that the Parish Council wishes to continue with its promotion of a review of the Plan, the examination would proceed in accordance with the Communities and Local Government/NPIERS Guidance for service users and examiners (April 2018).
