

Sonning Common Neighbourhood Development Plan Review

Second Clarification Note

Context

This Note provides an opportunity for the Parish Council to comment on the representations received on the revised Plan.

Representations

Does the Parish Council wish comment on any of the representations made on the most recent version of the Plan?

If so, I would be grateful for comments by 7 November 2022. Please let me know if this timetable may be challenging to achieve. It is intended to maintain the momentum of the examination.

If certain comments are available before others, I would be happy to receive the information on a piecemeal basis. Irrespective of how the information is assembled, please could it come to me directly from the District Council. In addition, please can all responses make direct reference to the representation concerned.
