

Green recycling bin

Please rinse food packaging before placing in your bin. **If your bin has things in it we can't recycle, we won't empty it.**

Please only put your recycling in your bin loose or in a **clear** sack

✓ Yes please

- Paper and card including magazines and telephone directories
- Steel and aluminium food and drink cans
- Aluminium foil including food trays
- Plastic bottles, food trays, yogurt pots, margarine tubs and bags
- Glass bottles and jars (any colour)
- Aerosols
- Food and drink cartons (Tetra Paks)

✗ No thanks

- Black bin liners or coloured sacks
- Nappies
- Food
- Crisp and sweet wrappers
- Tissues and kitchen towel
- Clingfilm and salad bags
- Plant pots and trays
- Children's toys
- Polystyrene
- Wood
- Disposable coffee cups
- Pill and tablet packaging

You can recycle batteries, too – just put them in a clear bag on top of your bin. Put textiles in a tied standard size carrier bag next to your bin.

Black refuse bin
