(b) in Scotland, his estate is being administered by a judicial factor or any guardian acting or appointed under the Adults with Incapacity (Scotland) Act 2000 who has power to apply or, as the case may be, receive benefit on his behalf; or
(c) an attorney with a general power or a power to apply or, as the case may be, receive benefit, has been appointed by that person under the Powers of Attorney Act 1971, the Enduring Powers of Attorney Act 1985 or the Mental Capacity Act 2005 or otherwise,
that deputy, judicial factor, guardian or attorney, as the case may be, may make an application on behalf of that person.

(3) Where a person who is liable to pay council tax in respect of a dwelling is unable for the time being to act and sub-paragraph (2) does not apply to him, the authority may, upon written application made to them by a person who, if a natural person, is over the age of 18, appoint that person to exercise on behalf of the person who is unable to act, any right to which that person might be entitled under the authority's scheme and to receive and deal on his behalf with any sums payable to him.

(4) Where a person who is liable to pay council tax in respect of a dwelling is for the time being unable to act and the Secretary of State has appointed a person to act on his behalf under regulation 33 of the Social Security (Claims and Payments) Regulations 1987 (persons unable to act), the authority may if that person agrees, treat him as if he had been appointed by them under sub-paragraph (3).

(5) Where the authority has made an appointment under sub-paragraph (3) or treated a person as an appointee under sub-paragraph (4)—

- (a) it may at any time revoke the appointment;
- (b) the person appointed may resign his office after having given 4 weeks notice in writing to the authority of his intention to do so;
- (c) any such appointment terminates when the authority is notified of the appointment of a person mentioned in sub-paragraph (2).

(6) Anything required by the authority's scheme to be done by or to any person who is for the time being unable to act may be done by or to the persons mentioned in sub-paragraph (2) above or by or to the person appointed or treated as appointed under this rule and the receipt of any such person so appointed shall be a good discharge to the authority for any sum paid.

(7) The authority must—

- (a) inform any person making an application of the duty imposed by rule 152(1)(a);
- (b) explain the possible consequences (including prosecution) of failing to comply with that duty; and
- (c) set out the circumstances a change in which might affect entitlement to the reduction or its amount.

16. An application may be made—

- (a) in writing,
- (b) by means of an electronic communication in accordance with rules 162 to 168, or

(2) The form must be provided free of charge by the authority for the purpose.

- (a) it was made on the form supplied for the purpose but that form is not accepted by the authority as being properly completed; or
 - (b) it was made in writing but not on the form approved for the purpose and the authority does not accept the application as being in a written form which is sufficient in the circumstances of the case having regard to the sufficiency of the written information and evidence,
- the authority may, in a case to which sub-paragraph (a) applies, request the applicant to complete the defective application or, in the case to which sub-paragraph (b) applies, supply the applicant with the approved form or request further information and evidence.

(2) An application made on a form provided by the authority is properly completed if it is completed in accordance with the instructions on the form, including any instructions to provide information and evidence in connection with the application.

19.—(1) If an application made by electronic communication is defective the authority must provide the person making the application with an opportunity to correct the defect.

(2) An application made by electronic communication is defective if the applicant does not provide all the information the authority requires.

20. In a particular case the authority may determine that an application made by telephone is only valid if the person making the application approves a written statement of his circumstances provided by the authority.

21.—(1) If an application made by telephone is defective the authority must provide the person making the application with an opportunity to correct the defect.

(2) An application made by telephone is defective if the applicant does not provide all the information the authority requests during the telephone call.

(a) in a case where—

(i) an award of state pension credit which comprises a guarantee credit has been made to the applicant or his partner, and

(f) except where paragraph (a), (b) or (e) is satisfied, in a case where a properly completed application is received within one month (or such longer period as the authority considers reasonable) of the date on which an

application form was issued to an applicant following the applicant first notifying, by whatever means, the authority of an intention to make an application, the date of first notification;

(g) in any other case, the date on which an application is received at the designated office.

(2) For the purposes only of sub-paragraph (1)(c) a person who has been awarded an income-based jobseeker's allowance or an income-related employment and support allowance is to be treated as entitled to that allowance for any days which immediately precede the first day in that award and on which he would, but for regulations made under—

(b) is not corrected within one month (or such longer period as the authority considers reasonable) of the date the authority last drew attention to it, the authority must treat the application as if it had been duly made in the first instance where it considers it has sufficient information to decide the application.

(4) The authority must treat a defective application as if it had been validly made in the first instance if, in any particular case, the conditions specified in sub-paragraph (5)(a), (b) or (c) are satisfied.

(5) The conditions are that—

(a) where rule 18(a) (incomplete form) applies, the authority receives at its designated office the properly completed application or the information requested to complete it or the evidence within one month of the request, or such longer period as the authority may consider reasonable; or

(6) Except in the case of an application made by a person treated as not being in Great Britain, where a person has not become liable for council tax to the authority but it is anticipated that he will become so liable within the period of 8 weeks (the relevant period), he may apply for a reduction under the authority's scheme at any time in that period in respect of that tax and, provided that liability arises within the relevant period, the authority must treat the application as having been made on the day on which the liability for the tax arises.

(7) Except in the case of an application made by a person treated as not being in Great Britain, where the applicant is not entitled to a reduction under the authority's scheme in the reduction week immediately following the date of his application but the authority is of the opinion that unless there is a change of circumstances he will be entitled to a reduction under its scheme for a period beginning not later than—

(a) in the case of an application made by—

(i) a pensioner, or

(ii) a person who has attained, or whose partner has attained, the age which is 17 weeks younger than the qualifying age for state pension credit,

the seventeenth reduction week following the date on which the application is made, or

(b) in the case of an application made by a person who is not a pensioner, the thirteenth reduction week following the date on which the application is made, the authority may treat the application as made on a date in the reduction week immediately preceding the first reduction week of that period of entitlement and award a reduction accordingly.

(8) In this paragraph "**appropriate DWP office**" means an office of the Department for Work and Pensions dealing with state pension credit or an office which is normally open to the public for the receipt of claims of income support, a job seekers allowance or an employment and support allowance.

(2) Where the application was made by telephone in accordance with rules 15 to 21, the amendment may also be made by telephone.

(3) Any application amended in accordance with sub-paragraph (1) or (2) is to be treated as if it had been amended in the first instance.

(4) A person who has made an application may withdraw it by notice to the designated office at any time before a decision has been made on it.

(5) Where the application was made by telephone in accordance with rules 15 to 21, the withdrawal may also be made by telephone.

(6) Any notice of withdrawal given in accordance with sub-paragraph (4) or (5) has effect when it is received.

(7) Where a person, by telephone, amends or withdraws an application the person must (if required to do so by the authority) confirm the amendment or withdrawal by a notice in writing delivered or sent to the designated office.

Information and evidence

24.—(1) Subject to sub-paragraph (3), a person who makes an application for a reduction under the authority's scheme must satisfy sub-paragraph (2) in relation both to himself and to any other person in respect of whom he is making the application.

(2) This sub-paragraph is satisfied in relation to a person if—

(a) the application is accompanied by—

(i) a statement of the person's national insurance number and information or evidence establishing that that number has been allocated to the person; or

(ii) information or evidence enabling the authority to ascertain the national insurance number that has been allocated to the person; or

(b) the person has made an application for a national insurance number to be allocated to him and the application for the reduction is accompanied by—

(i) evidence of the application for a national insurance number to be so allocated; and

(ii) the information or evidence enabling it to be so allocated.

(3) Sub-paragraph (2) does not apply—

(a) in the case of a child or young person in respect of whom an application for a reduction is made;

(b) to a person who—

(i) is a person treated as not being in Great Britain for the purposes of these Rules;

(ii) is subject to immigration control within the meaning of section 115(9)(a) of the Immigration and Asylum Act 1999; and

(iii) has not previously been allocated a national insurance number.

(4) Subject to sub-paragraph (5), a person who makes an application, or a person to whom a reduction under the authority's scheme has been awarded, must furnish such certificates, documents, information and evidence in connection with the application or the award, or any question arising out of the application or the award, as may reasonably be required by the authority in order to determine that person's entitlement to, or continuing entitlement to a reduction under its scheme and must do so within one month of the authority requiring him to do so or such longer period as the authority may consider reasonable.

(5) Nothing in this paragraph requires a person who is a pensioner to furnish any certificates, documents, information or evidence relating to a payment to which sub-paragraph (7) applies.

(6) Where the authority makes a request under sub-paragraph (4), it must—
(a) inform the applicant or the person to whom a reduction under its scheme has been awarded of his duty under rule 152 (duty to notify change of circumstances) to notify the authority of any change of circumstances; and
(b) without prejudice to the extent of the duty owed under rule 152, indicate to him either orally or by notice or by reference to some other document available to him on application and without charge, the kind of change of circumstances which must be notified.

(c) a payment which is disregarded under rule 140(10).

(8) Where an applicant or a person to whom a reduction under the authority's scheme has been awarded or any partner has attained the qualifying age for state pension credit and is a member of, or a person deriving entitlement to a pension under, a personal pension scheme, he must where the authority so requires furnish the following information—
(a) the name and address of the pension fund holder;
(b) such other information including any reference or policy number as is needed to enable the personal pension scheme to be identified.

Back-dating of applications

25.—(1) This rule applies only to persons who are pensioners.

(2) Subject to sub-paragraph (3), the time for the making of an application under the authority's scheme is as regards any day on which, apart from satisfying the condition of making an application, the applicant is entitled to such a reduction, that day and the period of three months immediately following it.

(3) In any case where rule 22(1)(a) (date on which application made: state pension credit comprising guarantee credit) applies, sub-paragraph (2) does not entitle a person to apply for a reduction under the authority's scheme in respect of any day earlier than three months before the date on which the claim for state pension credit is made (or treated as made by virtue of any provision of the Social Security (Claims and Payments) Regulations 1987).

31.—(1) The income and capital of—

- (a) an applicant; and
- (b) any partner of that applicant,

is to be calculated in accordance with the provisions of this Part.

(2) The income and capital of any partner of the applicant is to be treated as income and capital of the applicant, and in this Part any reference to the applicant applies equally to any partner of the applicant.

(3) Where an applicant or the partner of an applicant is married polygamously to two or more members of his household—

- (a) the applicant must be treated as possessing capital and income belonging to each such member; and

(b) the income and capital of that member must be calculated in accordance with the following provisions of this Part in like manner as for the applicant.

Circumstances in which income and capital of non-dependant is to be treated as applicant's

32.—(1) Sub-paragraph (2) applies where it appears to the authority that a non-dependant and an applicant have entered into arrangements in order to take advantage of the authority's scheme and the non-dependant has more income and capital than the applicant.

(2) Except where the applicant is on a guarantee credit the authority must treat the applicant as possessing income and capital belonging to that non-dependant and, in such a case, any income and capital which the applicant does possess must be disregarded.

(3) Where an applicant is treated as possessing income and capital belonging to a non-dependant under sub-paragraph (2) the income and capital of that non-dependant must be calculated in accordance with the following provisions of this Part in like manner as for the applicant and, except where the context otherwise requires, any reference to the “applicant” is to be construed for the purposes of this Part as if it were a reference to that non-dependant.

Income

Applicant in receipt of guarantee credit

33. In the case of an applicant who is in receipt, or whose partner is in receipt, of a guarantee credit, the whole of his capital and income must be disregarded.

Calculation of applicant’s income in savings credit only cases 34.—

(1) In determining the income and capital of an applicant who has, or whose partner has, an award of state pension credit comprising only the savings credit, subject to the following provisions of this paragraph, the authority must use the calculation or estimate of the applicant’s or as the case may be, the applicant’s partner’s income and capital made by the Secretary of State for the purpose of determining the award of state pension credit.

(2) Where the calculation or estimate provided by the Secretary of State includes the amount taken into account in that determination in respect of net income, the authority may only adjust that amount so far as necessary to take into account—

- (a) the amount of any savings credit payable;
- (b) in respect of any dependent children of the applicant, child care charges taken into account under rule 44(1)(c) (calculation of income on a weekly basis);
- (c) the higher amount disregarded under this Part in respect of—
 - (i) lone parent’s earnings; or
 - (ii) payments of maintenance, whether under a court order or not, which are made or due to be made by—
 - (aa) the applicant’s former partner, or the applicant’s partner’s former partner; or
 - (bb) the parent of a child or young person where that child or young person is a member of the applicant’s family except where that parent is the applicant or the applicant’s partner;
- (d) any amount to be disregarded by virtue of rule 60(1) (sums disregarded from earnings);

- (e) the income and capital of any partner of the applicant who is treated as a member of the applicant's household under rule 30, to the extent that it is not taken into account in determining the net income of the person claiming state pension credit;
- (f) rule 32 (circumstances in which income of a non-dependant is to be treated as applicant's), if the authority determines that that provision applies in the applicant's case;
- (g) such further reduction (if any) as the authority thinks fit under section 13A(1)(c) of the 1992 Act;
- (h) any amount to be disregarded by virtue of rule 56.

(3) Rules 36 to 50 and 86 to 91 do not apply to the amount of the net income to be taken into account under sub-paragraph (1), but do apply (so far as relevant) for the purpose of determining any adjustments to that amount which the authority makes under sub-paragraph (2).

(4) If sub-paragraph (5) applies, the authority must calculate the applicant's capital in accordance with rules 86 to 91.

(5) This sub-paragraph applies if—

- (a) the Secretary of State notifies the authority that the applicant's capital has been determined as being £16,000 or less;
- (b) subsequent to that determination the applicant's capital rises to more than £16,000; and
- (c) the increase occurs whilst there is in force an assessed income period within the meaning of sections 6 and 9 of the State Pension Credit Act 2002.

Calculation of income and capital where state pension credit is not payable

35. Where neither rule 33 (applicant in receipt of guarantee credit) nor 34 (calculation of income in savings credit only cases) applies in the applicant's case, his income and capital is to be calculated or estimated in accordance with rules 36 to 41, 44, 45, 47 to 49 and rules 86 to 92 of this Part.

(3) Where an applicant stands in relation to a company in a position analogous to that of a sole owner or partner in the business of that company, he may be treated as if he were such sole owner or partner and in such a case—

- (a) the value of his holding in that company must, notwithstanding rule 86 (calculation of capital) be disregarded; and

(b) he must, subject to sub-paragraph (4), be treated as possessing an amount of capital equal to the value or, as the case may be, his share of the value of the capital of that company and the foregoing provisions of this Chapter apply for the purposes of calculating that amount as if it were actual capital which he does possess.

(4) For so long as the applicant undertakes activities in the course of the business of the company, the amount which he is treated as possessing under sub-paragraph (3) is to be disregarded.

(5) Where an applicant is treated as possessing capital under sub-paragraph (1) the foregoing provisions of this Part apply for the purposes of calculating its amount as if it were actual capital which he does possess.

Diminishing notional capital rule

90.—(1) Where an applicant is treated as possessing capital under rule 89(1) (notional capital), the amount which he is treated as possessing—

(a) in the case of a week that is subsequent to—

(i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or

(ii) a week which follows that relevant week and which satisfies those conditions,

is to be reduced by an amount determined under sub-paragraph (3);

(b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—

(i) that week is a week subsequent to the relevant week; and

(ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied,

is to be reduced by the amount determined under sub-paragraph (5).

(2) This sub-paragraph applies to a reduction week where the applicant satisfies the conditions that—

(a) he is in receipt of a reduction under the authority's scheme; and

(b) but for rule 89(1), he would have received a greater reduction under that scheme in that week.

(3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(a) is to be equal to the aggregate of—

(a) an amount equal to the additional amount of the reduction in council tax to which sub-paragraph (2)(b) refers;

(c) where the applicant has also claimed housing benefit, the amount of any housing benefit or any additional amount of housing benefit to which he would have been entitled in respect of the whole or part of that reduction week to which sub-paragraph (2) refers but for the application of regulation 47(1) of

the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006 (notional capital);

(e) where the applicant has also claimed an employment and support allowance, the amount of an income-related employment and support allowance to which he would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008 (notional capital).

(4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b), the condition is that the applicant would have been entitled to a reduction in council tax under the authority's scheme in the relevant week but for rule 89(1).

(5) In such a case the amount of reduction in the amount of the capital which he is treated as possessing for the purposes of sub-paragraph (1)(b) is equal to the aggregate of—

(a) the amount of the reduction in council tax to which the applicant would have been entitled in the relevant week but for rule 89(1);

(b) if the applicant would, but for regulation 21 of the State Pension Credit Regulations 2002, have been entitled to state pension credit in respect of the benefit week, within the meaning of regulation 1(2) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled;

(c) if the applicant would, but for regulation 47(1) of the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week, within the meaning of regulation 2 of those Regulations (interpretation), which includes the last day of the relevant week, the amount which is equal to—

(i) in a case where no housing benefit is payable, the amount to which he would have been entitled; or

(ii) in any other case, the amount equal to the additional amount of housing benefit to which he would have been entitled,

(d) if the applicant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled; and

(e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled.

(6) But if the amount mentioned in paragraph (a), (b), (c), (d), or (e) of sub-paragraph (5) (“the relevant amount”) is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—

(a) dividing the relevant amount by the number equal to the number of days in that partweek, and

(7) The amount determined under sub-paragraph (5) must be re-determined under that sub-paragraph if the applicant makes a further application for a reduction in council tax under the authority’s scheme and the conditions in sub-paragraph (8) are satisfied, and in such a case—

(a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words “relevant week” there were substituted the words “relevant subsequent week”; and

(b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.

(8) The conditions are that—

(a) a further application is made 26 or more weeks after—

(i) the date on which the applicant made an application in respect of which he was first treated as possessing the capital in question under rule 89(1) ;

(ii) in a case where there has been at least one re-determination in accordance with subparagraph (5), the date on which he last made an application which resulted in the weekly amount being re-determined, or

(iii) the date on which he last ceased to be entitled to a reduction in council tax under the authority’s scheme,

whichever last occurred; and

(b) the applicant would have been entitled to a reduction under the authority’s scheme but for rule 89(1).

(9) The amount as re-determined pursuant to sub-paragraph (7) does not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.

(10) For the purposes of this paragraph—

(2) Subject to sub-paragraph (3) any payment made under sub-paragraph (1) must be made to the person who is entitled to the reduction.

(3) Where a person other than a person who is entitled to a reduction under the authority's scheme made the application and that first person is a person acting pursuant to an appointment under rule 14(3) or is treated as having been so appointed by virtue of rule 14(4), the amount of the reduction may be paid to that person.

Part 9 – Entitlement and Change of Circumstances

Date on which entitlement begins

149.—(1) Subject to sub-paragraph (2), any person by whom or in respect of whom an application for a reduction under the authority's scheme is made and who is otherwise entitled to that reduction is so entitled from the reduction week following the date on which that application is made or is treated as made.

(2) Where a person is otherwise entitled to a reduction under the authority's scheme and becomes liable for the first time for the authority's council tax in respect of a dwelling of which he is a resident in the reduction week in which his application is made or is treated as made, he shall be so entitled from that reduction week.

Date on which change of circumstances is to take effect 150.—

(1) Except in cases where rule 48 (disregard of changes in tax, contributions, etc) applies and subject to the following provisions of this regulation and regulation 151 (change of circumstances when state pension credit in payment), a change of circumstances which affects entitlement to, or

the amount of, a reduction under the authority's scheme ("change of circumstances"), takes effect from the first day of the reduction week following the date on which the change actually occurs.

(2) Where that change is cessation of entitlement to any benefit under the benefit Acts, the date on which the change actually occurs is the day immediately following the last day of entitlement to that benefit.

(3) Subject to sub-paragraph (4), where the change of circumstances is a change in the amount of council tax payable, it takes effect from the day on which it actually occurs.

(4) Where the change of circumstances is a change in the amount a person is liable to pay in respect of council tax in consequence of regulations under section 13 of the 1992 Act (reduced amounts of council tax) or changes in the discount to which a dwelling may be subject under sections 11 or 12 of that Act it takes effect from the day on which the change in amount has effect.

(5) Where the change of circumstances is the applicant's acquisition of a partner, the change takes effect on the day on which the acquisition takes place.

(6) Where the change of circumstances is the death of an applicant's partner or their separation, it takes effect on the day the death or separation occurs.

(7) If two or more changes of circumstances occurring in the same reduction week would, but for this paragraph, take effect in different reduction weeks in accordance with sub-paragraphs (1) to (6) they take effect from the day to which the appropriate sub-paragraph from (3) to (6) above refers, or, where more than one day is concerned, from the earlier day.

(8) Where the change of circumstances is that income, or an increase in the amount of income, other than a benefit or an increase in the amount of a benefit under the SSCBA, is paid in respect of a past period and there was no entitlement to income of that amount during that period, the change of circumstances takes effect from the first day on which such income, had it been paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of the authority's scheme.

(9) Without prejudice to sub-paragraph (8), where the change of circumstances is the payment of income, or arrears of income, in respect of a past period, the change of circumstances takes effect from the first day on which such income, had it been timeously paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of the authority's scheme.

(10) Sub-paragraph (11) applies if either—

- (i) a non-dependant took up residence in the applicant's dwelling; or
- (ii) there has been a change of circumstances in respect of a non-dependant so that the amount of the deduction which falls to be made under rule 140 (non-dependent deductions) increased.

(11) Where this sub-paragraph applies, the change of circumstances referred to in sub-paragraph (10)(b) takes effect from the effective date.

(12) In sub-paragraph (11), but subject to sub-paragraph (13), "**the effective date**" means—

(a) where more than one change of a kind referred to in sub-paragraph (10)(b) relating to the same non-dependant has occurred since—

- (i) the date on which the applicant's entitlement to a reduction under the authority's scheme first began; or
- (ii) the date which was the last effective date in respect of such a change,

whichever is the later, the date which falls 26 weeks after the date on which the first such change occurred;

(b) where paragraph (a) does not apply, the date which falls 26 weeks after the date on which the change referred to in sub-paragraph (10)(b) occurred.

(13) If in any particular case the date determined under sub-paragraph (12) is not the first day of a reduction week, the effective date in that case is the first day of the next reduction week to commence after the date determined under that sub-paragraph.

Change of circumstances where state pension credit in payment

151.—(1) Sub-paragraphs (2) and (3) apply where—

- (a) an applicant is in receipt of state pension credit;
- (b) the amount of state pension credit awarded to him is changed in consequence of a change in the applicant's circumstances or the correction of an official error; and
- (c) the change in the amount of state pension credit payable to the applicant results in a change in the amount of a reduction he receives under the authority's scheme.

(2) Where the change of circumstance is that an increase in the amount of state pension credit payable to the applicant results in—

- (a) an increase in the reduction he receives under that scheme, the change takes effect from the first day of the reduction week in which state pension credit becomes payable at the increased rate; or
- (b) a decrease in the reduction he receives under that scheme, the change takes effect from the first day of the reduction week next following the date on which—
 - (i) the authority receives notification from the Secretary of State of the increase in the amount of state pension credit; or
 - (ii) state pension credit is increased,whichever is the later.

(3) Where the change of circumstance ("the relevant change") is that the applicant's state pension credit has been reduced and in consequence the reduction the applicant receives under the authority's scheme reduces—

- (a) in a case where the applicant's state pension credit has been reduced because the applicant failed to notify the Secretary of State timeously of a change of circumstances, the relevant change takes effect from the first day of the reduction week from which state pension credit was reduced; or
- (b) in any other case the relevant change takes effect from the first day of the reduction week next following the date on which—
 - (i) the authority receives notification from the Secretary of State of the reduction in the amount of state pension credit; or
 - (ii) state pension credit is reduced,whichever is the later.

(4) Where the change of circumstance is that state pension credit is reduced and in consequence of the change, the amount of a reduction the applicant receives under the authority's scheme is increased, the change takes effect from the first day of the reduction week in which state pension credit becomes payable at the reduced rate.

(5) Where a change of circumstance occurs in that an award of state pension credit has been made to the applicant or his partner and this would result in a decrease in the amount of reduction he receives under the authority's scheme, the change takes effect from the first day of the reduction week next following the date on which—

- (a) the authority receives notification from the Secretary of State of the award of state pension credit; or

(b) entitlement to state pension credit begins, whichever is the later.

(6) Where, in the case of an applicant who, or whose partner, is or has been awarded state pension credit comprising only the savings credit, there is—
(a) a change of circumstances of a kind described in any of sub-paragraphs (2) to (5) which results from a relevant calculation or estimate; and
(b) a change of circumstances which is a relevant determination, each of which results in a change in the amount of reduction the applicant receives under the authority's scheme, the change of circumstances referred to in paragraph (b) takes effect from the day specified in sub-paragraph (2), (3), (4) or (5) as the case may be, in relation to the change referred to in paragraph (a).

(7) Where a change of circumstance occurs in that a guarantee credit has been awarded to the applicant or his partner and this would result in an increase in the amount of a reduction the applicant receives under the authority's scheme, the change takes effect from the first day of the reduction week next following the date in respect of which the guarantee credit is first payable.

(8) Where a change of circumstances would, but for this sub-paragraph, take effect under the preceding provisions of this paragraph within the 4 week period specified in rule 158 (continuing reductions where state pension credit claimed), that change takes effect on the first day of the first reduction week to commence after the expiry of the 4 week period.

(9) In this paragraph—

“**official error**” means an error made by—

(a) the authority or a person—

(i) authorised to carry out any function of the authority relating to its scheme; or

(ii) providing services relating to its scheme directly or indirectly to the authority; or

(b) an officer of—

(i) the Department for Work and Pensions; or

(ii) the Commissioners of Inland Revenue,

acting as such,

“**relevant calculation or estimate**” means the calculation or estimate made by the Secretary of State of the applicant's or, as the case may be, the applicant's partner's income and capital for the purposes of the award of state pension credit;

“**relevant determination**” means a change in the determination by the authority of the applicant's income and capital using the relevant calculation or estimate, in accordance with rule 34(1) (calculation of applicant's income in savings credit only cases).

Duty to notify changes of circumstances

152.—(1) Subject to sub-paragraphs (3) and (9), an applicant (or any person acting on his behalf) must comply with sub-paragraph (2) if there is a relevant change of circumstances at any time—

(a) between the making of an application and a decision being made on it, or
(b) after the decision is made (where the decision is that the applicant is entitled to a reduction under the authority's scheme) including at any time while the applicant is in receipt of such a reduction.

(2) The applicant (or any person acting on his behalf) must notify any change of circumstances which the applicant (or that person) might reasonably be expected to know might affect his entitlement to, or the amount of, a reduction under the authority's scheme (a "relevant change of circumstances") by giving notice to the authority—

(a) in writing; or

(b) by telephone—

(i) where the authority has published a telephone number for that purpose or for the purposes of rules 15 to 21 unless the authority determines that in any particular case or class of case notification may not be given by telephone; or

(ii) in any case or class of case where the authority determines that notice may be given by telephone; or

(c) by any other means which the authority agrees to accept in any particular case,

within a period of 21 days beginning with the day on which the change occurs, or as soon as reasonably practicable after the change occurs, whichever is later.

(a) changes in the amount of council tax payable to the authority;

(b) changes in the age of the applicant or that of any member of his family;

(c) in the case of an applicant in receipt of a relevant benefit, changes in circumstances which affect the amount of the benefit but not the amount of the reduction under the authority's scheme to which he is entitled, other than the cessation of that entitlement to the benefit.

(4) For the purposes of sub-paragraph (3)(c) "**relevant benefit**" means income support, an income-based jobseeker's allowance or an income-related employment and support allowance or universal credit.

(5) Notwithstanding sub-paragraph (3)(b) or (c) an applicant is required by sub-paragraph (1) to notify the authority of any change in the composition of his family arising from the fact that a person who was a member of his family is now no longer such a person because he has ceased to be a child or young person.

(6) The duty imposed on a person by sub-paragraph (1) includes in the case of a person falling within class C (pensioners: alternative maximum council tax reduction), giving written notice to the authority of changes which occur in the

number of adults in the dwelling or in their total gross incomes and, where any such adult ceases to be in receipt of state pension credit, the date when this occurs.

(7) A person who has been awarded a reduction under the authority's scheme who is also on state pension credit must report—

- (a) changes affecting the residence or income of any non-dependant normally residing with the applicant or with whom the applicant normally resides;
- (b) any absence from the dwelling which exceeds or is likely to exceed 13 weeks.

(8) In addition to the changes required to be reported under sub-paragraph (7), a person whose state pension credit comprises only a savings credit must also report—

- (a) changes affecting a child living with him which may result in a change in the amount of reduction under the authority's scheme allowed in his case, but not changes in the age of the child;
- (b) any change in the amount of the applicant's capital to be taken into account which does or may take the amount of his capital to more than £16,000;

 - (ii) a person to whom rule 34(2)(e) refers (partner treated as member of the household under rule 30),
- and whether such a person or, as the case may be, non-dependant stops living or begins or resumes living with the applicant.

(9) A person who is entitled to a reduction under the authority's scheme and on state pension credit need only report to the authority the changes specified in sub-paragraphs (7) and (8).

Part 10 – Extended Reductions

Extended reductions (qualifying contributory benefits)

153. —(1) Except in the case of an applicant who is in receipt of state pension credit, an applicant who is entitled to a reduction under a scheme (by virtue of falling within any of classes A to C) is entitled to an extended reduction (qualifying contributory benefits) where—

- (a) the applicant or the applicant's partner was entitled to a qualifying contributory benefit;
- (b) entitlement to a qualifying contributory benefit ceased because the applicant or the applicant's partner—
 - (i) commenced employment as an employed or self-employed earner;
 - (ii) increased their earnings from such employment; or
 - (iii) increased the number of hours worked in such employment,and that employment is or, as the case may be, increased earnings or increased number of hours are, expected to last five weeks or more;

(c) the applicant or the applicant's partner had been entitled to and in receipt of a qualifying contributory benefit or a combination of qualifying contributory benefits for a continuous period of at least 26 weeks before the day on which the entitlement to a qualifying contributory benefit ceased; and
(d) the applicant or the applicant's partner was not entitled to and not in receipt of a qualifying income-related benefit in the last reduction week in which the applicant, or the applicant's partner, was entitled to a qualifying contributory benefit.

(2) An applicant must be treated as entitled to a reduction under the authority's scheme by virtue of falling within any of classes A to C where—
(a) the applicant ceased to be entitled to a reduction under the authority's scheme because the applicant vacated the dwelling in which the applicant was resident;
(b) the day on which the applicant vacated the dwelling was either in the week in which entitlement to a qualifying contributory benefit ceased, or in the preceding week; and
(c) entitlement to the qualifying contributory benefit ceased in any of the circumstances listed in sub-paragraph (1)(b).

Duration of extended reduction period (qualifying contributory benefits)

154.—(1) Where an applicant is entitled to an extended reduction (qualifying contributory benefits), the extended reduction period starts on the first day of the reduction week immediately following the reduction week in which the applicant, or the applicant's partner, ceased to be entitled to a qualifying contributory benefit.

(2) For the purpose of sub-paragraph (1), an applicant or an applicant's partner ceases to be entitled to a qualifying contributory benefit on the day immediately following the last day of entitlement to that benefit.

(3) The extended reduction period ends—
(a) at the end of a period of four weeks; or
(b) on the date on which the applicant who is receiving the extended reduction (qualifying contributory benefits) has no liability for council tax, if that occurs first.

Amount of extended reduction (qualifying contributory benefits)

155.—(1) For any week during the extended reduction period the amount of the extended reduction (qualifying contributory benefits) the applicant is entitled to is the greater of—

(a) the amount of reduction under the authority's scheme to which the applicant was entitled by virtue of falling within any of classes A to C in the last reduction week before the applicant or the applicant's partner ceased to be entitled to a qualifying contributory benefit;
(b) the amount of reduction under the authority's scheme to which the applicant would be entitled by virtue of falling within any of classes A to C for any reduction week during the extended reduction period, if rule 153 (extended reductions (qualifying contributory benefits)) did not apply to the applicant; or

(c) the amount of reduction under the authority's scheme to which the applicant's partner would be entitled by virtue of falling within any of classes A to C, if rule 153 did not apply to the applicant.

(2) Sub-paragraph (1) does not apply in the case of a mover.

(3) Where an applicant is in receipt of an extended reduction (qualifying contributory benefits) under this paragraph and the applicant's partner makes an application for a reduction under the authority's scheme, no reduction is to be awarded during the extended reduction period.

Extended reductions (qualifying contributory benefits): movers

156.—(1) This paragraph applies—

(a) to a mover; and

(b) from the Monday following the day of the move.

(2) The amount of the extended reduction (qualifying contributory benefit) awarded from the Monday from which this paragraph applies until the end of the extended reduction period is the amount of reduction under the authority's ("the first authority") scheme which was payable to the mover for the last reduction week before the mover, or the mover's partner, ceased to be entitled to a qualifying contributory benefit.

(3) Where a mover's liability to pay council tax in respect of the new dwelling is to a second authority, the extended reduction (qualifying contributory benefits) may take the form of a payment from the first authority to—

(a) the second authority; or

(b) the mover directly.

Relationship between extended reduction (qualifying contributory benefits) and entitlement to a reduction by virtue of classes A to C

157.—(1) Where an applicant's reduction under the authority's scheme would have ended when the applicant ceased to be entitled to a qualifying contributory benefit in the circumstances listed in rule 153(1)(b) (extended reductions: qualifying contributory benefits), that reduction does not cease to have effect until the end of the extended reduction period.

(2) Rule 149 to 151 (period of entitlement and changes of circumstances) do not apply to any extended reduction (qualifying contributory benefits) payable in accordance with rule 155(1)(a) or rule 156(2) (amount of extended reduction: movers).

(b) sub-paragraph (2) is satisfied; and

(c) either—

(i) the applicant has attained the qualifying age for state pension credit;
or

(ii) the applicant's partner has actually claimed state pension credit.

(2) This sub-paragraph is only satisfied if the Secretary of State has certified to the authority that the applicant's partner has actually claimed state pension credit or that—

(a) the applicant's award of—

(i) income support has terminated because the applicant has attained the qualifying age for state pension credit; or

(ii) income-based jobseeker's allowance or income-related employment and support allowance has terminated because the applicant has attained the qualifying age for state pension credit; and

(b) the applicant has claimed or is treated as having claimed or is required to make a claim for state pension credit.

(3) Subject to sub-paragraph (4), in a case to which this paragraph applies, a person continues to be entitled to a reduction under the authority's scheme for the period of 4 weeks beginning on the day following the day on which the applicant's entitlement to income support or, as the case may be, income-based jobseeker's allowance or, income-related employment and support allowance, ceased, if and for so long as the applicant otherwise satisfies the conditions for entitlement to a reduction under the scheme.

(4) Where a reduction under that scheme is awarded for the period of 4 weeks in accordance with sub-paragraph (3), and the last day of that period falls on a day other than the last day of a reduction week, then a reduction under the scheme must continue to be awarded until the end of the reduction week in which the last day of that period falls.

(5) Throughout the period of 4 weeks specified in sub-paragraph (3) and any further period specified in sub-paragraph (4)—

(a) the whole of the income and capital of the applicant is to be disregarded;

(b) the maximum council tax reduction amount of the applicant is to be that which was applicable in his case immediately before that period commenced.

(6) The appropriate maximum council tax reduction amount is to be calculated in accordance with rule 139(1) if, since the date it was last calculated—

(a) the applicant's council tax liability has increased; or

(b) a change in the deduction under rule 140 (non-dependent deductions) falls to be made.

Extended reductions: movers into the authority's area

159. Where—

(a) an application is made to the authority ("the current authority") for a reduction under its scheme, and

(b) the applicant, or the partner of the applicant, is in receipt of an extended reduction from—

(i) another billing authority in England; or

(ii) a billing authority in Wales,

the current authority must reduce any reduction to which the applicant is entitled under its scheme by the amount of that extended reduction.

Part 11 – Appeals and Discretionary Reductions

Procedure by which a person may appeal against certain decisions of the authority

160.—(1) A person who is aggrieved by a decision of the authority which affects—

(a) the person's entitlement to a reduction under its scheme, or
(b) the amount of any reduction to which that person is entitled,

(2) The authority must—

(a) consider the matter to which the notice relates;
(b) notify the aggrieved person in writing—
 (i) that the ground is not well founded, giving reasons for that belief; or
 (ii) that steps have been taken to deal with the grievance, stating the steps taken.

(3) Where, following notification under sub-paragraph (2)(b)(i) or (ii), the person is still aggrieved, or if the authority fails to notify the person aggrieved in accordance with sub-paragraph (2)(b) within two months of the service of his notice, he may appeal to a valuation tribunal under section 16 of the 1992 Act.

Procedure for an application to the authority for a reduction under section 13A(1)(c) of the 1992 Act

161.—(1) An application to the authority for a reduction under section 13A(1)(c) of the 1992 Act may be made—

(a) in writing,
(b) by means of an electronic communication in accordance with rules 162 to 168, or
(c) where the authority has published a telephone number for the purpose of receiving such applications, by telephone.

(2) Where—

(a) the authority has made a determination under section 13A(1)(c) in relation to a class of case in which liability is to be reduced; and
(b) a person in that class would otherwise be entitled to a reduction under its scheme,
that person's application for a reduction under the authority's scheme may also be treated as an application for a reduction under section 13A(1)(c).

Part 12 – Electronic Communications

(6) The fourth condition is that the person maintains such records in written or electronic form as may be specified in a direction given by the Chief Executive of the authority.

(7) Where the person uses any method other than the method approved of submitting any information, that information is to be treated as not having been submitted.

(8) In this paragraph “**approved**” means approved by means of a direction given by the Chief Executive of the authority for the purposes of this Part.

Use of intermediaries

164. The authority may use intermediaries in connection with—

(a) the delivery of any information by means of an electronic communication; and

(b) the authentication or security of anything transmitted by such means, and may require other persons to use intermediaries in connection with those matters.

Effect of delivering information by means of electronic communication

165.—(1) Any information which is delivered by means of an electronic communication is to be treated as having been delivered in the manner or form required by any provision of the authority's scheme on the day the conditions imposed—

- (a) by this Part; and

Proof of delivery of information

167—(1) If it is necessary to prove, for the purpose of any legal proceedings, that the use of an electronic communication has resulted in the delivery of any information this is presumed to have been the case where—

- (a) any such information has been delivered to the authority, if the delivery of that information has been recorded on an official computer system; or
- (b) any such information has been delivered by the authority, if the delivery of that information has been recorded on an official computer system.

(2) If it is necessary to prove, for the purpose of any legal proceedings, that the use of an electronic communication has resulted in the delivery of any such information, this is presumed not to be the case, if that information delivered to the relevant authority has not been recorded on an official computer system.

(3) If it is necessary to prove, for the purpose of any legal proceedings, when any such information sent by means of an electronic communication has been received, the time and date of receipt is presumed to be that recorded on an official computer system.

Proof of content of information

168. If it is necessary to prove, for the purpose of any legal proceedings, the content of any information sent by means of an electronic communication, the content is presumed to be that recorded on an official computer system.

Part 13 – Excess Reductions

Meaning of excess reductions

169. - In this Part “excess reduction” means any amount which has been allowed by way of a council tax reduction and to which there was no entitlement under these rules, whether on the initial decision or on a subsequent change of circumstance and includes any excess which arises by reason of a reduction in the amount a person is liable to pay in respect of council tax in consequence of –

- (a) regulations made under section 13 of the 1992 Act (reduction in the amount of a persons council tax); or
- (b) any discount to which that tax is subject by virtue of section 11 or 79 of the Act.

Recoverable excess reduction

170. - (1) Any excess reduction, except benefit to which paragraph (2) applies, shall be recoverable.

(2) Subject to paragraph (4) and (5) and excepting any excess reduction arising in consequence of a reduction in tax or substitution to which rule 169 refers, this paragraph applies to excess reduction allowed in consequence of an official error, where the claimant or a person acting on his behalf or any other person to whom the excess reduction is allowed could not, at the time the reduction was allowed or upon the receipt of any notice relating to the allowance of that reduction, reasonably have been expected to realise that it was excess reduction.

(3) In paragraph (2), “excess reduction allowed in consequence of an official error” means an overpayment caused by a mistake made whether in the form of an act or omission by—

- (a) the relevant authority;
- (b) an officer or person acting for that authority;
- (c) an officer of—
 - (i) the Department for Work and Pensions; or
 - (ii) the Commissioners for Her Majesty’s Revenue and Customs, acting as such; or
- (d) a person providing services to the Department or to the Commissioners referred to in (c), where the claimant, a person acting on his behalf or any other person to whom the payment is made, did not cause or materially contribute to that mistake, act or omission.

(4) Paragraph (2) shall not apply with respect to excess reduction to which rule 169(a) and (b) refers.

(5) Where in consequence of an official error a person has been awarded excess reduction, upon the award being changed any excess reduction which remains credited to him by the relevant authority in respect of a period after the date of the change, shall be recoverable.

Authority by which recovery may be made

171. The relevant authority which allowed the recoverable excess reduction may recover it.

Persons from whom recovery may be sought

172.—(1) Recoverable excess reduction shall be due from the claimant or the person to whom the excess benefit was allowed.

Methods of recovery

173.—(1) Without prejudice to any other method of recovery the authority may recover any recoverable excess reduction due from any person referred to in rule 172 (person from whom recovery may be sought) by any of the methods specified in paragraph (2).

(2) Excess reduction may be recovered either—

(a) by payment by or on behalf of the person to whom rule 172(1) refers; or

(b) by an addition being made by the authority to any amount payable in respect of the council tax concerned.

Diminution of capital

174.—(1) Where in the case of recoverable excess reduction, in consequence of a misrepresentation or failure to disclose a material fact (in either case whether fraudulent or otherwise) as to a person's capital, or an error, other than one to which rule 170(2) (effect of official error) refers, as to the amount of a person's capital, the excess reduction was in respect of a period ("the excess reduction period") of more than 13 reduction weeks, the authority shall, for the purpose only of calculating the amount of excess—

(a) at the end of the first 13 reduction weeks of the excess reduction period, treat the amount of the capital as having been reduced by the amount of excess council tax reduction allowed during those 13 weeks;

(b) at the end of each subsequent period of 13 reduction weeks, if any, of the excess reduction period, treat the amount of that capital as having been further reduced by the amount of excess council tax reduction allowed during the immediately preceding 13 reduction weeks.

(2) Capital shall not be treated as reduced over any period other than 13 reduction weeks or in any circumstances other than those, for which paragraph (1) provides.

Sums to be deducted in calculating recoverable excess reduction

175.—(1) In calculating the amount of recoverable excess reduction, the authority shall deduct any amount of council tax reduction which should have

been determined to be payable in respect of the whole or part of the overpayment period—

- (a) on the basis of the claim as presented to the authority;
- (b) on the basis of the claim as it would have appeared had any misrepresentation or nondisclosure been remedied before the decision; or
- (c) on the basis of the claim as it would have appeared if any change of circumstances had been notified at the time that change occurred.

(2) In calculating the amount of recoverable excess reduction, the authority may deduct so much of any payment of council tax in respect of the excess reduction period which exceeds the amount, if any, which the claimant was liable to pay for that period under the original erroneous decision.
