Lewknor Neighbourhood Plan

www.LewknorParishNP.org

Welcome to our Lewknor, South Weston and Postcombe Neighbourhood Plan Consultation 1 Questionnaire

Lewknor Parish community is developing a **Neighbourhood Plan** to establish planning and other community policies for the next 20 years. It's a whole community effort, and everyone's input is essential to its success. A Neighbourhood Plan can give residents and businesses a say in how Lewknor Parish should grow and develop over the coming years. This is our first consultation and is your chance to give your opinion, influence the direction of the Plan, and influence local planning policy to shape our wonderful Parish for many years to come.

Guidance on how to Respond

Please respond on behalf of your whole household. This should take less than 10 minutes.

Have a look at our website at www.LewknorParishNP.org for further details and a Parish Map.

We would be grateful if you could post the completed questionnaire through your local neighbourhood plan volunteer's door, otherwise we will collect your questionnaire during the week starting on Saturday 27th January.
