Dear Leader,

NEW HOMES BONUS – FINAL ALLOCATIONS for 2023/24

I am writing to you today with details of the final 2023-24 allocations of New Homes Bonus. The allocations will total £291 million for English local authorities. Taken together with instalments from previous years, this brings the total amount of funding awarded under the New Homes Bonus to £10.3 billion. The total number of net additional homes rewarded over the period since the New Homes Bonus was introduced is over 2.5 million. This includes 619,000 affordable homes provided.

All allocations can be found at <https://www.gov.uk/government/publications/new-homes-bonus-final-allocations-2023-to-2024>

If you have any queries, please email the New Homes Bonus Team at NewHomesBonus@levellingup.gov.uk. The Minister of State for Housing and Planning, the Rt Hon Lucy Frazer KC MP, has written in similar terms to your Chief Executive.

Yours sincerely
