(b) from such place or places;

as it shall determine.

(10) The Council may from time to time make provision for the driver of a vehicle to obtain a ticket to use a parking place that is not subject to any charge as set out in column 1 of the Schedule and may (a) make that provision by the installation of any apparatus or device it may determine adapted for the purpose of issuing a ticket, and (b) require the driver to display a ticket in accordance with Article 3(5).

5. Penalty Charge

(2) All enforcement of parking contraventions will be carried out by Civil Enforcement Officers.

(3) Enforcement of penalty charges shall be carried out in accordance with the provisions of the Civil Enforcement of Parking Contraventions (England) General Regulations 2007. The Parking Penalty Enforcement Process is attached to this Order.

(4) Any appeals and representations following the issue of a Penalty Charge Notice shall be conducted in accordance with the Civil Enforcement (England)

Representations and Appeals Regulations 2007. The Parking Penalty Enforcement Process is attached to this Order.

(5) In the event of a conflict between this car park Order and the Regulations referred to in 5(3) and 5(4), the Regulations will take precedence.

6. Alteration of the position and removal of a Penalty Charge Notice

It shall be an offence under Regulation 11 of the Civil Enforcement of Parking Contraventions (England) General Regulations 2007 for any unauthorised removal or interference with a Penalty Charge Notice, once it has been affixed to a vehicle, liable on summary conviction to a fine not exceeding level 2 on the standard scale.

7. Vehicle driven away prior to a Penalty Charge Notice being served

If the Civil Enforcement Officer's pocket notebook and computer notes confirm that the vehicle drove away after the issue of the Penalty Charge Notice had begun, i.e. whilst details were being noted, but before the Penalty Charge Notice could be served, i.e. handed to the driver or affixed to a vehicle, the Penalty Charge Notice will be served on the owner of the vehicle by post after obtaining the owner details from the Driver and Vehicle Licensing Agency.

8. Penalty Charge Rate

The penalty charge Notice rates have been set for Oxfordshire, currently at £70 and £50 dependant on the type of parking contravention committed. The list of contraventions are specified in the Schedule. If paid within 14 days of issue the penalty charge rate is discounted by 50% and £35 or £25 (depending on the type of contravention) will be accepted in full settlement.

9. Removal of vehicles

(1) If a vehicle is left in a parking place in a position other than in accordance with the provisions of Article 3, a person authorised by the Council in that behalf may alter or cause to be altered the position of the vehicle so that its position is in accordance with the said provisions.

(2) If a vehicle is left in a parking place in contravention of any of the foregoing provisions of this Order, a person authorised by the Council in that behalf may remove the vehicle from that parking place or arrange for such removal.

(3) For the purpose of meeting the requirements of an emergency, a person authorised in that behalf by the Council or a police officer in uniform may alter or cause to be altered the position of a vehicle in a parking place or remove or arrange for the removal of a vehicle from a parking place.

(4) A vehicle can be classed as a persistent evader if there are three or more recorded contraventions for the vehicle and the penalties for these have not been paid, represented against, or appealed against within the statutory time limits, or their representations or appeals have been rejected but they have still not been paid. This may be because the vehicle is not properly registered, and the owner is confident that they can avoid paying any penalty charges. When parked in contravention of this order, a persistent evader's vehicle will be subject to the strongest possible enforcement action following the issue of a Penalty Charge Notice and confirmation of persistent evader status. This is likely to involve immobilisation or removal of the vehicle which will not be released until proof of ownership and registered address has been provided.

(5) Any person removing or arranging for the removal of a vehicle by virtue of paragraphs (2), (3) or (4) of this Article shall make such arrangements as he

considers to be reasonably necessary for the safety of the vehicle in the place to which it is removed.

The driver of a vehicle using a parking place shall not sound any horn or other similar instrument except, if necessary when about to change the position of the vehicle in, or about to depart from, the parking place.

Where in a parking place signs are erected, or surface markings are laid for the purpose of:

(a) Indicating the entrance to or exit from the parking place; or
(b) Indicating that a vehicle using the parking place shall proceed in a specified direction with the parking place;

no person shall drive or permit to be driven any vehicle (i) so that it enters the parking place otherwise than by an entrance or leaves the parking place otherwise than by an exit, so indicated, or (ii) in a direction other than so specified.

14. No driving around

15. Speed Limit
The driver of a vehicle shall not drive the vehicle in excess of 10mph in a parking place.

16. Waiting Period
The driver of a vehicle shall not permit it to wait in a parking place for longer than the maximum period for waiting, specified in column 5 of the Schedule to this Order in relation to that parking place.

17. Return Period
Where a vehicle has been removed from a parking space within a parking place, no driver is permitted to park it in that parking place within the no return period as specified in column 6 of the Schedule to this Order.

18. Use of disabled parking spaces
