

South Oxfordshire District Council Playing Pitch Strategy

Data Assessment Summary for Steering Group Review

January, 2024

FOOTBALL

This document is not a draft assessment report. The following maps and tables set out the information needed to produce a pitch assessment for football from the data gathered to date during Stage B.

Most data was collected between winter 2022 and summer 2023.

Selecting a heading below will allow the reader to “jump” to that map or table. The tables are set out in a logical fashion. All table headings are collapsed (in the Word version) to condense the size of the document, so to access the data in blue heading sections, click on the black triangle to the left of the heading to open and view.

dd) Quality Audit Site Visit Notes

N.B.

The following table presents the notes from site visits / audits. They should be read with this in mind as the notes are a record of dictated notes on-site transcribed in Word. They may therefore contain typos and grammatical errors.

Pitch Name	Sub-area	Pitches	Facilities
HILL ROAD RECREATION GROUND	East (South Oxfordshire)	Hill Road Playing fields on the edge of Chinnor. Grass football pitch very faint line markings, but the goals were up OK. Line markings were very faint. Can only see a few lines. But the grass coverage is good, good grass cutting, it's a good quality surface, but site is severely sloped, very difficult to run up pitches. Small changing room block that looks old and dilapidated, could be a former playing field site, but the pitch is just about marked out.	Hill Road Playing fields on the edge of Chinnor. Grass football pitch very faint line markings, but the goals were up OK. Line markings were very faint. Can only see a few lines. But the grass coverage is good, good grass cutting, it's a good quality surface, but site is severely sloped, very difficult to run up pitches. Small changing room block that looks old and dilapidated, could be a former playing field site, but the pitch is just about marked out.
SOUTHERN ROAD RECREATION GROUND	East (South Oxfordshire)	Southern Rd recreation ground in Thame, no pitches marked out large recreational sites with a scout Hut next door. Changing room block looks quality fairly new, nice and secure but doesn't get used because there's no pitches here. Second-half at the bottom of site is flatter than the top half. So it could be used as space for pitches, but no pitches currently marked out.	Southern Rd recreation ground in Thame, no pitches marked out large recreational sites with a scout Hut next door. Changing room block looks good quality fairly new, nice and secure but doesn't get used because there's no pitches here. Second-half at the bottom of site is flatter than the top half. So it could be used as space for pitches, but no pitches currently marked out.
STATION ROAD PLAYING FIELDS (CHINNOR) 1	East (South Oxfordshire)	Chinnor Pavilion and community playing fields, also known as Station Road playing fields, brand new pavilion with solar panels on very nice clubhouse with changing rooms, football, FA or foundation funded building. On site, grass football pitch adult. First team pitch. Floodlights hard standing around to some of the sides with a little spectator stand, floodlights and perimeter railing. Site is sloped, so the first team pitch is sloped grass coverage OK, grass cutting OK. All of it's not great though. OK, grass coverage, standard quality. Also on site adult pitch and an 11v11 junior football pitch, standard quality. There are lights with training area by clubhouse on the other side (not on any pitches). So three pitches. One training area.	Chinnor Pavilion and community playing fields, also known as Station Road playing fields, brand new pavilion with solar panels on very nice clubhouse with changing rooms, football, FA or foundation funded building.
THAME FOOTBALL (MEADOW VIEW PARK)	East (South Oxfordshire)	Thame United semi-professional club stadium pitch with spectator stand, high quality pitch, floodlighting, perimeter fencing, boundary fence etc. Good quality clubhouse and car park There's a 7v7 3G (standard quality) which looks older than the full-size 3G pitch also at this site (good quality), both floodlit. The 7v7 3G AGP has line markings for 7v7 mini soccer (with safety run off areas) and 2x 5-a-side football pitches for training. The full size 3G AGP has line markings for all age groups and 6 sets of moveable goals out for all age groups.	High quality and large clubhouse shared with Thame United (stadium) but access to good quality changing facilities and toilets which are easy to access for community users. Car park is large and changing rooms can accommodate multiple teams - enough for the number of pitches.
WATLINGTON SPORTS GROUND	East (South Oxfordshire)	Watlington Sports ground football site. First team football pitch good quality, fairly even good grass cover is good line markings, railings, changing block, very good quality brand new looks like. Also on site are three Junior 11v11 pitches and two mini.	Standard quality club house also a community centre, large with all provision required and well maintained.

Pitch Name	Sub-area	Pitches	Facilities
		Newly refurbished artificial grass pitch looks 7v7 in size, floodlit. AGP carpet is rolled up ready and waiting to be laid.	
LORD WILLIAMS'S ACADEMY (UPPER SCHOOL)	East (South Oxfordshire)	Thame leisure centre. Same site as Lord William's Upper School, but it's run by GLL. Leisure centre at the back of the site with a smallish car park about 50 spaces. Community customers using facilities on Monday midday. It's a Community Leisure centre. Also at Thame Leisure Centre is the sand based artificial grass pitch, full-sized, floodlit all the fencing all the safety requirements are good. External contractor was maintaining it so it could be good quality, although might be fairly old. Could be standard quality but well maintained so retained it to good quality. Use the same car park as leisure centre so not big and next to Lord Williams upper school. AGP also has football goals for 5-a-side. Changing rooms at the leisure centre.	
THAME FOOTBALL (MEADOW VIEW PARK) AGP	East (South Oxfordshire)	There's a 7v7 3G (standard quality) which looks older than the full-size 3G pitch also at this site (good quality), both floodlit. The 7v7 3G AGP has line markings for 7v7 mini soccer (with safety run off areas) and 2x 5-a-side football pitches for training. The full size 3G AGP has line markings for all age groups and 6 sets of moveable goals out for all age groups.	
WHITES FIELD	East (South Oxfordshire)	Chinnor Youth football club, also known as Whites Field. Owned by Chinnor Parish council. Car park OK quite small next to preschool. Maybe primary school or football pitch, but all closed off. Village recreational ground. One adult football pitch two Junior. Chinnor Youth football club, also known as Whites Field. Owned by Chinnor Parish council. Car park OK quite small next to preschool. Maybe primary school or football pitch, but all closed off. Village recreational ground. 7v7 sized sand-based artificial grass pitch. Open Access, great fencing, standard quality, great floodlights with basketball hoop and 5-a-side football goals built in to the fence. It's a large community centre with standard quality clubhouse; one level but looks good. Lots of doors for different changing room access and then there's also a new changing room building wooden by the AGP. The AGP small sided with markings for basketball, maybe 7v7 football is the AGP size. Changing room block and some storage, all very nice.	Chinnor Youth football club, also known as Whites Field. Owned by Chinnor Parish council. Car park OK quite small next to preschool. Maybe primary school or football pitch, but all closed off. Village recreational ground. 7v7 sized sand-based artificial grass pitch. It's a large community centre with standard quality clubhouse; one level but looks good. Lots of doors for different changing room access and then there's also a new changing room building wooden by the AGP. The AGP small sided with markings for basketball, maybe 7v7 football is the AGP size. Changing room block and some storage, all very nice.
GARSINGTON SPORTS CLUB	North (South Oxfordshire)	Garsington Sports Club. Adult football pitch with Junior 11 V 11 over marked blue painting, slightly uneven good grass coverage not overplayed, slight unevenness, no slope. Two sets of goals out for	Changing block looks standard quality, fairly old, but it's quite big and looks OK.

Pitch Name	Sub-area	Pitches	Facilities
		that pitch. Another set of goals too. Changing block looks standard quality, fairly old, but it's quite big and looks OK. Training lights outside clubhouse. It's OK but overused by Cricket square for training. Also at Garsington Sports Club is another adult football pitch better quality than the other one. Flat, no slope, good grass coverage, good quality. Looks like drainage is good. Slight slope and unevenness and a little pitch grass area with posts. No pitch markings to be used for recreational use in the far corner by the play area.	
HORSPATH SPORTS GROUND	North (South Oxfordshire)	Oxford Harlequins 3G AGP pitch is excellent, surely has shock pads as it has rugby line markings, posts and fencing, but It's also got football goals for 5-aside but surface is absolutely immaculate, a fairly new full-size 3G rugby compliant pitch with floodlights.	
OXFORD BROOKES UNIVERSITY (WHEATLEY CAMPUS)	North (South Oxfordshire)	Oxford Brookes Wheatley campus. It's a former sports field. It's on the campus where the students study and live. Small areas of car parking but the playing field is redundant. There's old cricket nets, moss everywhere, old cricket pavilion that doesn't get used anymore. Table tennis table by the changing block, which is very large and fairly new and very usable for the community - standard quality. There are also two 5-aside football pens and then a third pen that has two tennis courts marked out but no posts or nets. All dis-used and poor quality and two 5 aside football courts with floodlights, moss over not used at all. Padlocked up no one can use them.	
GREAT MILTON RECREATION GROUND	North (South Oxfordshire)	Great Milton Recreation ground. Very nice clubhouse, good quality, large kitchen looks nice. Large space for youth club play area. Large recreational field, sloped. Grass not cut. Many goals are up. But no pitch marked out. No football pitches on site at	Great Milton Recreation ground. Very nice clubhouse, good quality, large kitchen looks nice. Large space for youth club play area. Large recreational field, sloped. Grass not cut. Many goals are up. But no pitch marked out. No football pitches on site at all. Grass cover is only good because no one plays here.
GROVELANDS SPORTS GROUND	North (South Oxfordshire)	Also known as Risinghurst playing fields on Grovelands Rd. Headington Youth Football Club facilities were provided with financial help from National Playing Fields Association. The car park was gated. It's quite small car park. There was overflow at the back. There is a gate to get into the site. It's a recreational field with some dog walkers, recreational users. There's a pathway leading to school Sandhills Community School. Two junior football pitches on site, two mini soccer football pitches on site. Site is fairly flat. One junior pitch verging on poor quality because there's lots of mud and the grass coverage is poor. The other junior pitch, standard quality coverage	Standard quality club house for Headington Youth FC.

Pitch Name	Sub-area	Pitches	Facilities
		grass, better quality two mini soccer pitches. At the top of the site, additional pitch space, but at the moment it's overgrown and not usable, no pitches marked out here.	
HOLTON PLAYING FIELDS	North (South Oxfordshire)	One adult sized football pitch that's got two junior football pitches over-marked on it, 9v9 marked out in blue. There's also a junior 11v11 pitch here. There's goals up for another football junior football pitch. So in all, one adult. one 11v11 junior and those two 9v9 juniors over-marked on the adult pitch. Slightly sloped, bumpy ground, grass coverage ok, and line markings ok, posts ok, it's secure, fairly good site, but it should be standard 'cause it's quite sloped, and across the whole site is a big bump in the middle and it slopes down from one side to the other. Three more mini football pitches 5v5 and there's training lights for training, but area is muddy and overused.	Good quality facilities, large shared with football rugby and cricket. Well maintained and secure.
GARDINER RECREATION GROUND	South (South Oxfordshire)	Goring recreation ground. Adult football pitch. Severe slope uneven, bumpy. Poor grass cutting line markings OK. Adequate grass coverage. Movable adult goes out. Parish Hall next door with bowls club. Separate fenced bowls. Club small pavilion can be used by anyone - public toilets. Club changing rooms and clubhouse facilities in parish hall.	Car parking on street. Parish Hall next door with bowls club. Separate fenced bowls. Club small pavilion can be used by anyone - public toilets. Club changing rooms and clubhouse facilities with all provision in parish hall. Standard quality.
HARPSDEN FOOTBALL GROUND	South (South Oxfordshire)	Harpsden Football Ground, recreational field. No car parking. Junior 11v11 football pitch site. Some unevenness but adequate, line markings adequate, Grass coverage adequate. Muddy in patches rundown pavilion changing block only. FA facility fund sign. AFC Henley sign on pavilion. Flat site.	Run down and old looking pavilion. Basic changing room block with 2 changing rooms and toilets. FA funded and AFC Henley sign on pavilion, no car park, open access site.
HENLEY YMCA	South (South Oxfordshire)	YMCA in Henley. Adult grass football pitch flat. Good grass coverage, good line markings, permanent goals. Bit of rust. A good quality pitch, secluded at the back of a housing estate, no floodlights, Security fencing around. Car parking good enough. 7v7 3G AGP. Floodlit. Good security fence, padlocked. It looked like it hadn't been maintained properly, with pools a rubber crumb. Probably standard quality because of this. Also, YMCA Community building on site. Community hall with kitchen and changing rooms, everything you need. Good quality.	YMCA Community building on site. Community Hall kitchen changing rooms everything you need. Good quality.
HENLEY RUGBY CLUB	South (South Oxfordshire)	Long pile 3G AGP used for rugby training and there's two 9v9 football pitches marked out with football goals for training. Very secure facility. Good quality. Building next door and rugby club clubhouse reception, all high quality.	

Pitch Name	Sub-area	Pitches	Facilities
JUBILEE PARK HENLEY	South (South Oxfordshire)	AFC Henley Football club. There's big storage units for maintenance equipment then surrounding the AGP there is one Junior 11v11 and two Junior 9v9. Past those you've got access to two 7v7 mini soccer pitches, and a futher 7v7 mini soccer pitch marked out. Adjacent to Tesco car park with no direct walkway to AGP must make carrying hockey bags over to pitch difficult. Good quality pitch, sand dressed, no sign of damage. Secure fence, not clear who runs it, padlock access. Synthetic track along length of pitch by car park, also included in fenced area, moss due to time of year and trees. Standard quality track, could be used for hockey warm up area. Floodlit fullsize pitch with 5v5 football and hockey goals and line markings for both sports.	Jubilee Park, AFC Henley and Henley Hockey club have shared car park (dedicated for sports clubs) and clubhouse facility. They each have their own clubhouse entrance and changing rooms next to Tesco. Good quality, large, solar panels, four changing rooms have access out to car park – 8 rooms in total, pin to unlock. Good quality large showers. Gym Wellness centre by Tesco too.
LANGTREE SCHOOL	South (South Oxfordshire)	Langtree School has a sand based artificial grass pitch. 7v7 football with 5v5 x2 widthways goals up floodlights, good security fencing. Whole site has secure fencing. Surface is standard quality, lines a little faded. It's a well-used school pitch that's not too old. Changing rooms available in school building, next to sports hall which is likely to have community access.	
SHEEPCOT RECREATION GROUND	South (South Oxfordshire)	Sheepcot recreation Goring. Large recreational field site – site is moderately sloped. 3x adult football pitches, good grass coverage. 3x 5v5 mini soccer. Two of them with good grass coverage and line markings at top of site. Bottom of site the third 5v5 mini soccer adequate grass coverage but severley sloped. Also 2x 7v7 mini soccer pitches at top of site moderate slope. Good grass coverage.	Standard quality changing room block. Basic but not too old and well maintained. Should be bigger for number of pitches on site.
THE INVESCO PERPETURAL TRIANGLE GROUND	South (South Oxfordshire)	Henley Town Football club single pitch sites with carpark for about 40 cars. 50 cars access down a single track could be problems for a single passing point. There's also access from the car park to dog walking area. The club site is secluded down in the valley, a little bit, its fencing all around floodlighting flat pitch well maintained. Very even with fencing and hard standing around, and two spectator seating stands although. They look old. Changing room building looks OK. Good standard.	Good quality facilities for league club.
ABINGDON TOWN FOOTBALL CLUB	West (South Oxfordshire)	Abingdon Town football club. Semi-pro club, floodlights security fencing. Car park separate. Stadia is rundown and holes in fencing and some stands are condemned.	Poor quality old and worn out facilities. External and internal areas are poor quality and in need of refurbishment. Unappealing for players.

Pitch Name	Sub-area	Pitches	Facilities
BODKINS SPORTS FIELD	West (South Oxfordshire)	Bodkins Field long wittenham. One adult grass football pitch standard quality. It's uneven in places. Flat some patchiness goal. Secure permanent standard condition. Also moveable goals in training area next to pitch. Safety margins aren't great by car Park. Also training lights. But that may be mostly to light up the driveway to the clubhouse. Clubhouse standard quality, but it's got modern refurbishment. Painted wood on outside, so probably standard good quality. Sign also said Long Wittenham football club play here. And long Wittenham athletics club use this site to do athletics on site but not sure where. Probably just use training lights and tarmac driveway and grass in summer.	Bodkins Field long wittenham. Clubhouse standard quality, but it's got modern refurbishment. Painted wood on outside, so good quality exterior. Sign also said Long Wittenham football club play here. And long Wittenham athletics club use this site to do athletics on site but not sure where. Probably just use training lights and tarmac driveway and grass in summer.
BULLCROFT PARK	West (South Oxfordshire)	Bull Croft Park. There are three sets of goals and three adult football pitches marked out. There is also an additional training area with some training lights but they aren't very good. The pitches are bumpy and uneven, then one of them, the third pitch, tails off at the end, runs down a slope, so can only be standard quality because there's patches of mud and they're quite uneven, not very flat site.	Bull Croft Park, there's an old building right in the middle of the playing fields. It's like a barn with wood on the outside and it looks like there's holes in the roof - looks very unused. It's got a Bull Croft Bowling Club sign on it but no green here. However there is a grass area outside the former clubhouse that is flat and looks like a former bowls green. The former clubhouse security fence is very good.
CHOLSEY RECREATION GROUND	West (South Oxfordshire)	Between Jubilee pavilion pitch and where Cholsey Bluebirds pitches are is a grassed area surrounded by tress with 2 moveable football goals and some training lights. There's no pitch marked out and surface is poor and overused. Adjacent to Jubilee Pavilion is Cholsey Recreation Ground, which is home to Cholsey Bluebirds Football Club. Site has separate changing rooms from the Jubilee pavilion, but can only access Bluebirds pitches through the Pavilion car Park and walkway because the school is one side and farmers fields the other side. There are two 11 V 11 junior pitches. Two mini soccer 7V7 and one mini soccer 5V5. So there's five pitches altogether on Cholsey Recreation Ground. Quality is standard. There are some gaps in the grass coverage, bumpy and sloped. Some of the pitches aren't marked out properly, but three of them are fine, standard quality.	Adjacent to Jubilee Pavilion is Cholsey is Cholsey Recreation Ground, which is home to Cholsey Bluebirds Football Club. Site has separate changing rooms from the Jubilee pavilion, but can only access Bluebirds pitches through the Pavilion car Park and walkway because the school is one side and farmers fields the other side.
COWS COMMON	West (South Oxfordshire)	Elwne recreation ground sports field, also known as Cows Common. One adult football pitch. No floodlights. Severe slope from either side into middle of pitch unevenness, grass coverage OK. Grass cutting OK line marking OK. Safety margins end of pitch runs up hill at corner. Changing rooms, standard quality, big enough not to be clubhouse though.	Changing rooms, standard quality, big enough not to be clubhouse though.

Pitch Name	Sub-area	Pitches	Facilities
CROWMARSH RECREATION GROUND	West (South Oxfordshire)	Crowmarsh Gifford Recreation Ground, the clubhouse is big. Lots of changing rooms in there and the outside space is being upgraded. New Hardstanding paving area with picnic benches. New shutters for the clubhouse and they're definitely refurbishing it. Can't get in because there's security fencing around. On the site there are two adult football pitches, standard quality as there's muddy patches and a bit of unevenness and not as flat as other sites. It's a cricket wicket in the middle, no floodlights. Small gym equipment area and an enclosed large children play area. Very good play area.	Crowmarsh Gifford Recreation Ground, the clubhouse is big. Lots of changing rooms in there and the outside space is being upgraded. New Hardstanding paving area with picnic benches. New shutters for the clubhouse and they're definitely refurbishing it. Can't get in because there's security fencing around.
DORCHESTER-ON-THAMES RECREATION GROUND	West (South Oxfordshire)	Dorchester Recreation Area playing fields. No car park, parking on street. Basketball court poor quality tarmac. One adult football pitch. Flat, even, just patches of mud. And some weeds but otherwise good quality. No other football pitches, but space for additional markings. Generally flat site also on site 2 tennis courts. Good quality. Open Access. Secure fencing. One tennis court has built in five aside football goals used by kids public access. Tennis net. On that court or looks broken anyway. Changing rooms large standard quality, quite old but big. Looks like there's enough in there and maintenance shed.	Changing rooms large standard quality, quite old but big. Looks like there's enough in there and maintenance shed.
LOYD RECREATION PARK	West (South Oxfordshire)		There's a small changing room block, which looks awful. No windows door looks broken into small car park, but there's on street parking.
SUNNYSIDE	West (South Oxfordshire)	Sunnyside in Benson. Football pitches recreational field with dog walkers. 5x pitches in total. 2x mini soccer 7V7. One Junior 9v9 one junior 11v11 and one adult all standard quality. The 9v9 is marked up against the 11v11 sharing corner posts. Also, the 9v9 is marked up against the line of the adult pitch. So actually these three pitches are unusable if another pitch is being used. They are marked up against at least one other pitch but not over-marked. Site is flat. Muddy patches and some unevenness. The 9v9 at the top is sloped moderate, the rest of the pitches are flat and just uneven, grass coverage good, grass cutting good, line markings OK. Two sets of goals out one for adult and one for juniors. Benson Village Hall next door with changing block. Brand new Village hall, changing block looks older. Standard quality. But big.	Benson Village Hall next door with changing block. Brand new Village hall, changing block looks older. Standard quality. But big.
THE GREEN	West (South Oxfordshire)	Stadhampton recreation ground large Open Access site. One adult football pitch with changing facility. Whole site looks unused,	Whole site looks unused, changing block has a barrier so you can't use and run down.

Pitch Name	Sub-area	Pitches	Facilities
		changing block has a barrier so you can't use and run down. Pitch line markings are faint and goal posts are rusty. And there's slight slope but it is even. The glass coverage is good.	
THE JUBILEE PAVILLION AND RECREATION GROUND	West (South Oxfordshire)	Brightwell cum sotwell Recreational Field, also known as The Jubilee Pavilion and Recreation ground. Dog walkers, small car park, old school, village hall, pavilion. Cricket pitch. No football pitches marked out. Only recreational goal.	The pavilion in Cholsey is a former village hall that now is a lovely community centre, fairly new building, vast community rooms inside, changing rooms and looks like a preschool and library. It's very much a Village community centre.
WALLINGFORD SPORTS PARK	West (South Oxfordshire)	On Wallingford Sports Park there were three adult football pitches. 1 belongs to Wallingford and Crowmarsh. FC It's stuck out in the back because it looks like a semi professional club. They've got hard standing and gated access to that pitch. 8 clubs here. Petanque, Skittles, etc. Car park is not that big for the size of facilities because there's an artificial grass pitch sand-based full size floodlit. So you first come in it's hockey. There's a small warm up area. There's also Astro and then they've got a. Shed it's all inclusive enclosed for the hockey, but there is also five aside football goals as well as the hockey goals. Surface looks well-used and worn out in places. Probably standard quality as facilities are adequate.	Main club house at Sport Park is large and offers adequate quality facilities for lots of sports clubs and groups including the football pitches at the park.
ABBEY SPORTS CENTRE (BERINSFIELD)	West (South Oxfordshire)	Former AGP 7v7 outside floodlit with fencing. Already there, but very poor quality and unusable. Will be 3G according to leisure centre staff. It has secured funding but don't know who's going to operate it yet. Maybe not GLL but someone else. Opening January 2023. Car park small, although other car parking areas.	
CRANFORD HOUSE SCHOOL	West (South Oxfordshire)	Cranford House School in Moulsoford. Sand based artificial grass pitch full size. Hockey markings and goals only. Secure fencing. Good quality surface. No rips. Next to preschool and used by independent day school. No football goals or markings, no floodlights.	
WALLINGFORD SCHOOL	West (South Oxfordshire)	Wallingford School also on site is a sand based artificial pitch for hockey floodlit full size. Also has 3x 5v5 soccer pitches with goals. Changing rooms not obvious, but access to car park at rear for pitch. Castle leisure centre. Sign up but no obvious leisure centre entrance. Only sign up saying 'please visit school Sports Centre bookings website'. That small car park at front could be used to access sports hall as new refurbishment of front of building and car park secure. Probably good quality sand based AGP.	

Pitch Name	Sub-area	Pitches	Facilities
BOUNDARY PARK (HARWELL)	West (South Oxfordshire)	Boundary Park in Didcot is a huge site. Didcot, rugby club, Cricket Club and some football club use a community building in the centre which is like a leisure centre and has a separate bar viewing area. Lots of changing rooms built in 2016. Very nice. Good size car park. There are football pitches marked out and were six sets of goals. Mini and junior goals. 6 pitches football pitches on Boundary Park in Didcot. Very flat. Good grass coverage. Good line markings, good drainage. Everything is very good. Dog walkers, but fencing good. 6 football pitches, 1x 5v5 on its own. One adult football pitch on its own. Remaining pitches all share touchlines with another pitch. 1x Junior 11 V 11, alongside 9 V 9 and then another 9 V 9 alongside 7V7. Good grass coverage. No training lights or floodlights only rugby floodlights.	Boundary Park in Didcot is a huge site. Didcot, rugby club, Cricket Club and some football club use a community building in the centre which is like a leisure centre and has a separate bar viewing area. Lots of changing rooms built in 2016. Very nice. Good size car park.

ff) Other key issues

Pitch Ref No.	Site Name	Also known as	Club Name	Sub-area	Surface	Comments Sources	Comments on Club	Comments Pitch and Site
174, 175, 1015, 1016	HOLTON PLAYING FIELDS	Wheatley Playing Fields		North (South Oxfordshire)	Grass	OFA		Parish Council have plans for new two Storey Pavilion but the proposed type and scale not currently a priority Project for the FA. Tied to plans for development at Wheatley campus. Pavilion (current Pavilion in very poor state of repair) would benefit from improvement / replacement.
348	STATION ROAD PLAYING FIELDS (CHINNOR)	Chinnor Playing Fields	Chinnor FC	East (South Oxfordshire)	Grass	OFA		Have had funding for improvements to changing facilities.
362	THAME FOOTBALL (MEADOW VIEW PARK)		Thame FC	East (South Oxfordshire)	AGP - 3G rubber crumb	OFA	Only football club with their own 3G pitch.	Step 4 stadia - good provision.
481	WATLINGTON SPORTS GROUND	Watlington Recreation Ground	Watlington FC	East (South Oxfordshire)	Grass	OFA	During the football season, Watlington Town Football Club use the pitches all day Saturday and on Sunday mornings. Pitches and a floodlit training area are used for midweek evening training by junior and adult teams. The cricket pitch is booked for training one evening per week. Matches are held most weekends on either Saturday or Sunday during the season. Lack of available sports equipment/machinery storage is affecting availability of space in changing rooms Medical room and upgraded facilities needed Lack of space to accommodate all	Have explored possible 3G pitch on the site.

Pitch Ref No.	Site Name	Also known as	Club Name	Sub-area	Surface	Comments Sources	Comments on Club	Comments Pitch and Site
							required pitches for all age groups. Cricket pitch damaged by football use in winter Lack of car parking space. Boiler and showers system needs upgrading, all plumbing reviewed Changing rooms used to store equipment due to lack of space elsewhere.	
140	GROVELANDS SPORTS GROUND			North (South Oxfordshire)	Grass	OFA	Club is working with FA to get grass pitch maintenance fund application. However, contractor concerns that costs could be higher due to need for major drainage system.	
178	HORSPATH SPORTS GROUND	Horspath Recreation Ground	Horspath Youth FC	North (South Oxfordshire)	Grass	OFA		Horspath Youth FC thought they would be moving from use of Rugby 3G to new 3G at Oxford City Sports Park (leased by Oxford Utd from SODC) but Oxford Utd only using it for their own teams and notionally therefore closed to community use. Linked to Wheatley campus sale. Horspath very rugby union focused. Opportunity for football 3G on the site?
19	BISHOPSWOOD SPORTS GROUND (ROTHERFIELD UNITED)		Rotherfield Utd	South (South Oxfordshire)	Grass	OFA		Have held discussions re possible full size 3G on the site, but s106 issue.
118	GARDINER RECREATION GROUND		Goring Utd	South (South Oxfordshire)	Grass	OFA		Have held discussions re possible half size 3G on the site. Changing need identified in LFFP, as is 3G pitch. Have had grass pitch funding to improve grass pitches.

Pitch Ref No.	Site Name	Also known as	Club Name	Sub-area	Surface	Comments Sources	Comments on Club	Comments Pitch and Site
								Town Council not in favour of 3G due to climate implications / concerns. Town Council preferred bowling green but no funding for it.
203	JUBILEE PARK HENLEY		AFC Henley	South (South Oxfordshire)	Grass	OFA		Have held discussions re possible full size 3G on the site due to lack of grass pitches for use. Particularly under pressure due to YMCA looking to dispose of its pitches (ID 170 an 171) to release for low cost housing.
575	BOUNDARY PARK (HARWELL)		Boundary Park Trust, Didcot	West (South Oxfordshire)	Grass	1. Boundary Park Trust, Didcot 2. (Didcot First and Didcot CC)	1. One rep from each club on Trust Board. Priorities - ensuring viability, s 106 negotiations, options to expand into Valley Park site and ensure Boundary Park is fit for purpose (not just pitches) as approaching capacity, and broadening role in community for other activities, not just sport, and not just formal club-based sport. Would like to run new Valley Park site but no formal agreement in place yet - only discussions to try to influence what is to be provided on site and in line with opportunities and what exists on Boundary Park site. No consultations by Trust on potential options / plans / vision for the future on Boundary Park and / or Valley Park opportunity. View that proposed Valley Park provision is probably not fit for purpose and needs to be looked at	1. Grass pitches at capacity. New pitches needed but could do things differently at Boundary Park - e.g. in aligning with Valley Park development, possible opportunities for 3G on one grass pitch at Boundary Park and moving football to Valley Park and keeping rugby and cricket at Boundary Park, allowing rugby club to have current football pitch to expand their capacity. Cycling could have 800m track around outside perimeter. Maintenance done by Trust within fence boundary. Tennis courts very well-used and always booked. Cycling track need for club members but also for learning / skills pathway. Netball club plays centrally - Oxford venue, but court well-used by them and back to netball - a little conflict in use with tennis. Storage and safeguarding issues - if child

Pitch Ref No.	Site Name	Also known as	Club Name	Sub-area	Surface	Comments Sources	Comments on Club	Comments Pitch and Site
							<p>alongside Boundary Park site and reconcling sports on each site rather than splitting.</p> <p>Phase 1 delivery of Vally Park in the next 3 years - pitches to be delivered in that phase. Short on time to get it right. Trust liaising with SODC, VotWH, Taylor Wimpey and Active Oxfordshire.</p>	<p>needs toilet, have to be accompanied by two adults to facilities over on main Boundary Park site in pavilion - not ideal and would like some facilities adjacent to netball and tennis courts.</p> <p>2. Didcot historically short of sports facilities. Ideally would see football moved from Boundary Park to Valley Park with rugby and cricket retained, with rugby compliant 3G at Boundary Park. Viability / capital a challenge at a new Valley Park when such high cost requirements for consytruction - e.g. drainage at Boundary Park high cost but blocked and road needed to be dug up to clear blockage. Opportunity for a 5km loop at Valley Park for park run, with honeypot to generate income (café)? The £45-50k from Council helps to maintain Boundary Park, but things like Festival held annually helps (contributes around £15-16k a year). Would like a café at Boundary Park.</p>
92	EDMONDS PARK		Didcot Town Youth FC	West (South Oxfordshire)	Grass	Didcot Town Youth FC	<p>Have built a good relationship and pathway from U17s and U18s A team to Didcot Town FC, to which they are affiliated.</p> <p>Could easily field an additional 10 teams now from latent demand.</p> <p>Train at Loop Meadow (DTFC training ground) but big cost due to</p>	<p>Have to stagger kick-off times to accommodate all teams on site.</p> <p>Some areas could do with better drainage.</p> <p>New pavilion going in - temporary portakabins at the moment.</p> <p>Pitch boggy on west side of pitches by car park and tennis courts. Cannot have</p>

Pitch Ref No.	Site Name	Also known as	Club Name	Sub-area	Surface	Comments Sources	Comments on Club	Comments Pitch and Site
							<p>floodlights.</p> <p>Club pays for everything - used to share costs of goals etc with Council. Now also charged fully for changing rooms but don't really need to use them. Concerns about costs of new pavilion when built.</p> <p>Also have "diddies" team (development / U5-U6) affiliated to Youth FC. Run by different organisation though.</p> <p>Have lost boys U16s this season - anomaly really, see a drop off in this age group every so often but usually recovers following season.</p> <p>Had been some discussion in the past about Amazon Blewburys merge with Youth FC (they have c.10 teams) but lack of pitch capacity at St Edmunds Park means it was not feasible.</p>	<p>the old 7v7 in that location.</p> <p>11v11 pitch opposite Somar Way and NW of Edmunds Park title on Google aerial map.</p> <p>Will lose 7v7 pitch where new pavilion is going in.</p> <p>Didcot Town FC intention to have new 3G built on existing pitch for next season. When 3G opens, Youth FC hoping to relieve use of Edmunds Park of so many matches to play occasionally on the 3G, e.g. when grass pitches in poor state / too wet.</p> <p>Looking to use the topsoil from the 3G development to form new pitch on scrubland to SE of training pitch and SSW of Didcot Town FC.</p> <p>Used to be a pitch to SSE of scrubland but not used now as too wet and not level (Ladygrove Park).</p> <p>Wanted to store goals at Edmunds Park but cost quoted by Council too prohibitive for club.</p>
243	LOYD RECREATION PARK		Didcot Casuals FC	West (South Oxfordshire)	Grass	BBFA		Changing facilities very poor and close to being condemned. New changing facilities needed.
244	LOYD RECREATION PARK		Didcot Casuals FC	West (South Oxfordshire)	Grass	Didcot Casuals FC	<p>Would like to modernise the facilities at Loyd park. Key issue for club is lack of pitch availability, as well as lack of facilities. For example, saw coaches take 2 or 3 teams (U16 girls and U15 / U16 boys) to a different club. Club has also had to turn away U13 through to U7 age groups regularly due to lack of</p>	<p>Club has asked Council to overmark pitches at Loyd.</p> <p>Council has agreed to refurbish the changing facilities / hut at Loyd but at the moment the building has been condemned due to water damage / leakage.</p> <p>Club also uses The Triangle at the Boys School but adult teams do too and so</p>

								<p>30/01/23) - solar/battery system heat pumps etc, to offset the energy price hike</p> <p>Gym to support clubs and bring in revenue.</p> <p>Survey response comments:</p> <p>Overall the state of the Sports Park is;</p> <ol style="list-style-type: none"> 1. We are short of pitch space and changing rooms to cope with increasing numbers at all ages and genders 2. Given the geographical restrictions on the Sports Park, we need more lighting, drainage and irrigation of our grass pitches as well as more artificial surfaces to give us more capacity – ie a 3G and another sand dressed AWP 3. We already have an established management and organisational structure in place. 4. However, we cannot raise the capital for this without external funding. 5. All this is set out in the Sport England sponsored, Dave Cove 2021 FMG report which I have already forwarded to Stuart Todd. <p>Attached is an extract from the current business plan for 22/23. those projects listed as current are all underway except:</p> <p>item 3 awaiting formal confirmation of landlord consent and due to start late February 2023</p>

						LLFP not prioritised for refresh as in the most recent tranche of LLFPs.
2	Grove and Wantage	S&VDCs	Nov 2022	South (Vale)	Multi	Grove and Wantage - sensitivities around non-delivery of new Leisure Centre and recent re-assessment done by Strategic Leisure of potential use of funding set aside for delivery of alternative facilities.
3	Key Issues for S&VDCs	S&VDC	Nov 22	All	Multi	Too many pitches and pavilions to afford to maintain. Climate change / decarbonisation. Can funds be used from planning towards maintenance and management to assist viability. Oxfordshire CC LEA tend to provide too many pitches on school sites with no community use. Good at collecting funds for sport but not good at spending it.
4	Development Locations	S&VDC	Nov 22	West (South Oxfordshire) North (South Oxfordshire) South (Vale) North (Vale)	Multi	Land North of Bayswater Brook, near to Oxford. 1,450 dwellings, 2 tennis courts, no pitches. Culham Science Centre. 3,500 dwellings, Nortoft report specifies sports provision to be delivered. Oxford Brookes, possibly losing some pitches. Grove Airfield, lots of pitches planned. Great Western and Valley Park are the two major developments at Didcot Didcot NE site has allocation for playing fields and leisure centre but did not happen. Infrastructure Delivery Plan due a refresh. Informed by Nortoft work. 2020 SODC one includes a calculator for provision.
5	Active Oxfordshire discussion	Active Oxfordshire	18-01-23	All	Multiple	Priorities include children and young people, deprived areas, low income, healthy place shaping (built and natural environment). In South and Vale, Abingdon Caldicott is a particular focus area, with some parts of Didcot and Berinsfield. Swimming focus - covid catch-up for young learners, not enough water capacity (insufficient before covid too). Interest in BMX, skateboarding, climbing but less involved in latter.

						Have a list of activities in Vale village halls and now doing South Oxfordshire - Jo's colleague, Anna.
9	Member discussion	S&VDC	14-03-23	North (Vale)	All	Cricket club own part of football ground. Differences of opinion between clubs. Girls and womens sports is an opportunity and area of focus, as are walking sports. Interest in "upcoming" sports such as skateboarding, cycling, sports for less mobile (pickleball, walking sports). Referenced Active Community Strategy. Very active canoe club in the town with new canoe boathouse now in use for stoaring canoes.
10	Thame NP and Sports Strategy		03-05-23	East (South Oxfordshire)	Multiple	Thame NP and Sports Strategy to 2026. Review of NP in progress. Question about how much delivery has occurred re the Sports Strategy and how much work being done on sport as part of the NP. https://www.thametowncouncil.gov.uk/thame-town-council/thame-neighbourhood-plan-revision/ https://www.thametowncouncil.gov.uk/wp-content/uploads/2016/04/Thame-Sports-Facility-Strategy_FINAL_TTC_July-15.pdf

Site Name	Sub-Area	Proposal Description (and source)	Pitch Surface	Pitch Size	Sport	Potential additional capacity in hours or match equivalents?	Potential loss of capacity of existing pitch?	If so, loss in hours or match equivalents?	Where in pipeline?	Other notes
		realm and market garden. App ref P22/S4618/O (S&VDC)								
BISHOPSWOOD SPORTS GROUND (ROTHERFIELD UNITED)	South (South Oxfordshire)	Discussions held about new full size 3G on site. Pushing with Sport England to get full funding as mitigation. Proposal includes pavilion. From the loss of pitches at Maiden Erlegh if this happens. 3G proposal cannot move forward until outcome from Maiden Erlegh application known. (OFA)	3G	Full size	Football	38 hours in peak period	Unknown		Discussion	
HENLEY YMCA	South (South Oxfordshire)	1. FA Risk of 1 x grass pitch being lost as YMCA potential interest in releasing land for low cost housing. Grass pitch improvement proposal very likely not to proceed as a result. 2. Sport England YMCA has proposal to deliver affordable / sheltered housing on pitch site. If likely to lose, mitigation necessary. Possibly as extension to Jubilee Park? (1. OFA, 2. Sport England)	NA	NA	Football	None, loss of poor quality pitch, i.e. 1 m/e	Yes	2 match equivalents (2 x 11v11 pitches) (subject to quality audit)	Discussion only.	

Site Name	Sub-Area	Proposal Description (and source)	Pitch Surface	Pitch Size	Sport	Potential additional capacity in hours or match equivalents?	Potential loss of capacity of existing pitch?	If so, loss in hours or match equivalents?	Where in pipeline?	Other notes
HIGHLANDS FARM, HENLEY	South (South Oxfordshire)	JHHNDP Site M & M1: Highlands Farm, Highlands Lane, Rotherfield Grey (Crest Nicholson). 163 dwellings. (S&VDC)	Grass	2 Turf pitches, each 73 x 46 metres (9v9s)	Football	Assuming good quality, an additional +4 m/e per pitch	No		Construction	
JUBILEE PARK HENLEY	South (South Oxfordshire)	<p>Possible 3G on the site to relieve sand based pitch of football use for additional hockey use. Would be built over an existing grass pitch.</p> <p>Planning application about to go in (as of 02-02-23) for the new 3G. Design agreed etc. Pavilion still undecided but will be phased. Grass pitch maintenance fund successfully accessed. Permission granted as of May.</p> <p>Opportunity, linked to potential loss of grass pitch at YMCA, for extension to Jubilee Park for mitigating grass pitch to replace loss at YMCA.</p> <p>(EH, OFA, Henley HC, Sport England)</p>	3G	Full size	Football	38 hours peak period	Yes	2 match equivalents on an existing grass pitch (subject to quality audit score).	Discussion	Related key issue is proposed pavilion on the site. Large and could take part of a grass pitch. FC lease pitch to south of AGP from HC so considered by OFA as a risk to continued use. 3G coming forward on existing grass pitch also means loss of grass pitch so overall supply in Henley a concern. Opportunity to extend Jubilee site with additional grass pitches on land to south either side of property with tennis court in garden. Adding to concern is FC may not get new lease on Harpsden Rec site.

BERINSFIELD	West (South Oxford shire)	Land at Berinsfield. Allocation in LP. 1,700 dwellings. Unspecified playing pitch provision. (S&VDC)	Unknown	Unknown	Unknown	Unknown	Unknown		Local Plan allocation	Opportunity to influence pitch provision on development and off-site. High IMD. Developer leading on masterplanning. Core priority area for the Council. Garden Village status. Oxford Architects looking at options for leisure facilities on the site. School playing field is large and so option for swap of school to new development site on new development, freeing up existing school site and PFs. Emerging NP includes Garden Village site. NP

Site Name	Sub-Area	Proposal Description (and source)	Pitch Surface	Pitch Size	Sport	Potential additional capacity in hours or match equivalents?	Potential loss of capacity of existing pitch?	If so, loss in hours or match equivalents?	Where in pipeline?	Other notes
										is awaiting masterplanning and Council commissioned facilities work before confirming updated NP. FC want floodlighting on the existing pitches.
CHALGROVE	West (South Oxfordshire)	Land at Chalgrove Airfield. Allocation in Local Plan. 3,000 dwellings (2,105 expected in plan period up to 2035). Unspecified playing pitch provision. (S&VDC)	Unknown	Unknown	Unknown	Unknown	Unknown		Local Plan allocation	Application (outline) withdrawn as of end of April. Assumption that new secondary school (secondary) pitches would fulfil community use. Not supported by SE. Risk and pitches unlikely to be able to support carrying capacity for weekday and weekend use. Would get overplayed.
CULHAM SCIENCE CENTRE	West (South Oxfordshire)	Land adjacent to Culham Science Centre. 3,500 dwellings (2,100 expected in plan period up to 2035). Unspecified playing pitch provision. (S&VDC)	Unknown	Unknown	Unknown	Unknown	Unknown		Local Plan allocation	Opportunity to influence s106 through PPS. Indicative masterplan shows 5 full size, 3 junior grass football pitches and 2 MUGAs and a pavilion in north-east of site,

Site Name	Sub-Area	Proposal Description (and source)	Pitch Surface	Pitch Size	Sport	Potential additional capacity in hours or match equivalents?	Potential loss of capacity of existing pitch?	If so, loss in hours or match equivalents?	Where in pipeline?	Other notes
										plus a cricket ground with two junior pitches in outfield and pavilion on south-western part of site (May 2023).
GRENOBLE ROAD	West (South Oxfordshire)	Land South of Grenoble Road. 3,000 dwellings (2,480 expected in plan period up to 2035). Unspecified playing pitch provision. (S&VDC)	Unknown	Unknown	Unknown	Unknown	Unknown		Local Plan allocation	Opportunity for PPS to influence provision from development. No pre-app yet. Some land owned by Thames Water, some by City Council.
NORTHFIELD	West (South Oxfordshire)	Land at Northfield. 1,800 dwellings (1,750 expected in plan period upto 2035). Unspecified playing pitch provision. (S&VDC)	Unknown	Unknown	Unknown	Unknown	Unknown		Local Plan allocation	Scoping decision for EIA made requiring ES. P21/S3647/SCO Opportunity to influence provision for sport from PPS. PPA signed for Northfield. 40% of site owned by County Council. Pre-app likely soon (as of end of April).
LADYGROVE EAST, DIDCOT	West (South Oxfordshire)	Outline application. No pitches as pylon on-site but off-site contributions to be sought. (S&VDC)	NA	Unknown, but none on-site	Unknown, but none on-site	Unknown, but none on-site	Unknown			

aaa) Using Over and Under Play Figures

Using Over and Under Play Figures

The pitch over and under play figures generated by the Assessment should not be used in isolation. The figures alone need to be treated with caution for a number of reasons:

- They cannot represent local qualitative or ‘on the ground’ issues, and should therefore be read in conjunction with other information gathered;
- They could mask issues generated by peak time demand;
- Slight overplay may be manageable for quality of the pitch and / or the standard of football being played (and therefore of the quality expected). For example, overplay of up to 1.5 matches per week may be acceptable if the pitch quality is being maintained to at least a “standard” condition;
- Overplay on a pitch may be resolvable through improved maintenance or drainage to improve the quality of the pitch and therefore the capacity to accommodate matches. Reducing the amount of play on a pitch and moving play to an alternative pitch is also likely to improve quality;
- Identifying figures which indicate overplay and a deficit of pitch capacity does not necessarily mean that new pitches need to be provided. Alternative existing sites with pitches not currently in community use could be brought into use or under-used pitches better utilised to absorb demand or artificial grass pitches could play a role in better managing overplay or a deficit in grass pitch provision; and,
- While clubs which are identified as having capacity issues may need the use of an additional pitch, they may not have the ambition to increase the size of the club in this way, i.e. they may be content with the status quo.

bbb) Closed / no longer used pitches (not available as disused or lapsed)

Pitch Ref No.	Pitch Name	Site Name	Sport	Pitch Size and Type	Local Authority Area	Sub-area	Facility Status
369	THAME UTD (CLOSED)	THAME UTD (CLOSED)	Football	Adult Football	South Oxfordshire	East (South Oxfordshire)	Closed

ccc) Displaced, unmet, aspirational demand

Club Name	Sub-Area	Plans to increase teams in the future	What is needed to increase teams	Demand for additional training facilities
Chinnor FC	East (South Oxfordshire)	Yes	Additional volunteers Additional coaches Access to an artificial grass pitch for training Additional grass pitches for matches	Ideally a 4G pitch somewhere in the village
Thame United	East (South Oxfordshire)	Yes	Additional grass pitches for matches	
Watlington Town FC	East (South Oxfordshire)	Yes	Additional volunteers Additional coaches Floodlighting at current grass pitch (to extend hours of use) Other (please elaborate below): Veterans teams (35+) could play at our designated home ground if we had floodlighting at our main home pitch. Currently this is not possible and they have to play nearly 10 miles away and hire other venues.	3G Pitch
Headington Youth FC	North (South Oxfordshire)	Yes	Additional volunteers Additional coaches	As the club gets larger with more younger teams each year additional training facilities required.
AFC Henley	South (South Oxfordshire)	Yes	Additional volunteers Additional coaches Additional grass pitches for matches Additional grass pitches for training Floodlighting at current grass pitch (to extend hours of use) Access to an artificial grass pitch for training Additional facilities such as changing rooms	Please see earlier section re. all weather floodlit training requirements. Also additional 9v9 and 11 aside pitches - or help with maintenance of existing. YMCA is open to the public and can suffer damage / vandalism / dog poop / debris etc.
Goring Robins FC	South (South Oxfordshire)	Yes	Additional volunteers Additional coaches Additional grass pitches for matches Additional grass pitches for training Floodlighting at current grass pitch (to extend hours of use) Access to an artificial grass pitch for training Additional facilities such as changing rooms Other (please elaborate below): Goring Robins Club future teams 2 Boys 1 Girls to 2028 • 22/23 season 28 teams plus u6 boys and girls training (30) • 9 Girls teams u7(only training) u8'9'10'11'12'13's u15 u18 • Boys 18 1	Yes by 2027 we will have 8 more teams we just don't know how we will find training facilities with the growth of the girls game From end of September We really struggle for training facilities in the surrounding area or lack of 1 team out of 30 has access to a 3G style Astro we struggle to find training facilities with 3 teams not able to find any availability and 2 teams sharing a indoor sports hall 8 teams have to use indoor sports hall because of lack of facilities

Club Name	Sub-Area	Plans to increase teams in the future	What is needed to increase teams	Demand for additional training facilities
			<p>u7's 2x 8'9'10'11'12'13'14 1x u15'16'17s • Turned down request for a second Girls team • struggle to find any training venue locally in a 8mile radius • Total club players 380 • 23/24 season 30 teams plus u6 boys and girls training (32) • 9 girls u7(only training) u8'9'10'11'12'13'14's u16s • 21 Boys 2x U7 to u15 teams then 1x u16 u17 u18s • 24/25 season 32 teams plus u6 boys and girls training (34) • 10 girls u7(only training) u8'9'10'11'12'13'14'15s u17s • 22 Boys 2x U7 to u16 teams then 1x u17 u18 • 25/26 season 34 teams plus u6 boys and girls training (36) • 11 girls u7(only training) u8'9'10'11'12'13'14'15'16s u18s • 23 Boys 2x U7 to u17 teams then 1x u18 • 26/27 season 35 teams plus u6 boys and girls training (37) • 11 girls u7(only training) u8'9'10'11'12'13'14'15'16'17s • 24 Boys 2x U7 to u18 teams • 27/28 season 36 teams plus u6 boys and girls training (38) • 12 girls u7(only training) u8'9'10'11'12'13'14'15'16'17'18s • 24 Boys 2x U7 to u18 teams. • Maximum number of teams. • 36 teams plus 3 gorng united on 9 pitches are 4.3 teams per pitch on average • The club growth to this point would house 45 more girls playing football in the 2028 season. • The club growth to this point would house 90 more Boys playing football in the 2028. • Total players in 2027/28 season would be about 515. • The possibility of a 3G pitch would allow more games to be played and ease congestion and will also allow more girls teams in the future to be added to club I would suggest 1 girls team at every other age group i.e.u8 u10 u12 u14 u16 u18 which would be 6 more teams this would tie in to how the girls started in the leagues and at our club it's easily able to get players in a 2 year age group to facilitate a team then it is at every year group • This would make us a 42-team club after 10 years plus with 2 teams at u6 training in season 2033 • This would make a total of 90 more Girls playing football and total club players to 605. • 42 teams plus Goring United 3 teams on 9 pitches would be 5 teams per pitch • If 3G pitch available, we can house walking football teams/leagues daytime or night-time? • Disability football would also be able to play during the day we have a qualified coach at a level of UEFA B</p>	<p>17 teams play on hockey style Astro u15 to u17 can only train on a small 9v9 size Astro at Langtree TRYING TO DO SET PEICES TRAINING IS NOT GOOD corners or free kicks or playing down the wings shocking When the clocks go forward all the teams come back to sheepecot and then our 9 pitches get a absolute battering each pitch gets a extra 5 hours a week of use some teams train longer so could be up to 7 hours on some pitches If we had what Goring Parish council has in one of there options in there open space report option 4 11v11 3G pitch this would house nearly all of Goring Robins teams Goring United teams Walking football new team being set up now may be Disability football as we have a ex fa Disability football coach in gorng and does coaching 3 local schools would be able to use the space to provide out door activates/ matches We as a club could then do what we have projected to be a 42 team club by 2033 • This would make us a 42-team club after 10 years plus with 2 teams at u6 training in season 2033 • This would make a total of 90 more Girls playing football and total club players to around 605. If this 3G was built it would also help other local teams by being able to use or old time slots at those venues we were at so with the growth of the girls game this will aid other clubs to provide space to facilitate new team going forward. Think if we had a training facilities the amount of carbon emissions we would save from less car traveling out of the local area each player is a 9 mlie round trip for winter training another benefit would be more players using bikes or</p>

Club Name	Sub-Area	Plans to increase teams in the future	What is needed to increase teams	Demand for additional training facilities
			licence to coach them • Local schools Goring, Streatley, South Stoke would be able to use the 3G facility • Goring United would be able to use the Sunday teams on the 3G pitch. • Goring united would also train mid-week with their 5 teams . walking football by richard ex reading fc kit man wants to start a local team We have Pangbourne, Whitchurch, reading united, Cholsey all struggling to find training venues in the local area	walking to training another carbon saving we can also use special grass seed to help capture carbon emissions on the grass pitch's
Goring United	South (South Oxfordshire)	No		3g pitch in Goring would benefit Goring United, Goring Robins and the surrounding villages.
ABINGDON ALMOST ATHLETIC WALKING FC	West (South Oxfordshire)	No		
Abingdon Youth FC	West (South Oxfordshire) (imported)	Yes	Additional volunteers Additional coaches Additional grass pitches for matches Access to an artificial grass pitch for training	We find it hard to find additional spaces/availability for new teams at appropriate times or teams have to train at times/days that doesn't suit their coaches or players. The surface at Tilsley Park is also very slippery so not ideal No plans in place but there are conversations about trying to improve our clubhouse
Cholsey Bluebirds FC	West (South Oxfordshire)	No		Our preference would be for a 3G facilities in the village where all our teams could train during winter months as well as providing additional benefit by providing opportunities for other groups in the village and surrounding area. We currently have a small area of floodlit ground available to us in the village recreational ground however and the weather over December and January have proved this too be the case where we cannot train due to the ground being too wet or frozen. We have only been able to run sessions for 2 of the last 6 weeks.
Didcot Casuals FC	West (South Oxfordshire)	Yes	A designated "home" ground Additional volunteers Additional coaches Additional grass pitches for matches	We currently train on the fields where our pitches are which does no good for wear and tear as they are in constant use. During the summer would need access to training pitches

Club Name	Sub-Area	Plans to increase teams in the future	What is needed to increase teams	Demand for additional training facilities
			<p>Additional grass pitches for training Floodlighting at current grass pitch (to extend hours of use) Access to an artificial grass pitch for training Additional facilities such as changing rooms Other (please elaborate below): I have ticked all of the above as we would definitely need all of them, the main challenges are the facilities and access to pitches in one location The question is below on additional teams is difficult to answer as we do not have the space, we are definitely looking at introducing new younger teams and expanding the older age teams but cannot as we do not have the space for them to play</p>	<p>to let the match ones recover During the winter we train indoors for the majority of the teams and have to hire various sports halls around the area, we do have access to some portable floodlights which we can use outside but has limited capacity and as above in the winter when the ground is wet often we have to cancel</p>
Didcot Town Youth FC	West (South Oxfordshire)	Yes	<p>Additional grass pitches for matches Additional grass pitches for training Access to an artificial grass pitch for training</p>	3G Pitch
Dorchester FC	West (South Oxfordshire)	No		
Hagbourne Utd FC	West (South Oxfordshire)	Yes	<p>Additional volunteers Additional coaches</p>	
Harwell & Hendred FC	West (South Oxfordshire)	Yes	<p>Additional volunteers Additional coaches Additional grass pitches for matches Additional grass pitches for training Access to an artificial grass pitch for training Additional facilities such as changing rooms</p>	Grass pitches are desperately required but a 3G pitch would provide better flexibility with winter training
Long Wittenham Athletic	West (South Oxfordshire)	No		All weather 4G or 3G pitch
Rotherfield United	West (South Oxfordshire)	Yes	<p>Additional volunteers Additional coaches Additional grass pitches for matches Additional grass pitches for training Access to an artificial grass pitch for training Additional facilities such as changing rooms</p>	3G pitch

Club Name	Sub-Area	Plans to increase teams in the future	What is needed to increase teams	Demand for additional training facilities
Wallingford & Crowmarsh FC	West (South Oxfordshire)	Yes	More coaching staff / volunteers Better ancillary facilities Access to additional home pitch(es) Access to training facility	Better quality grass pitches with full floodlighting. An additional 3-4 floodlight pylons required at the Wallingford Sports Park (OX10 9RB) to take advantage of the available area. Additional floodlights at the Bullcroft Park or potentially Crowmarsh Recreation Ground.
Vale of White Horse Schools FA	Outside study area	No		We desperately need a floodlit 3G facility in our area for us to use for rep matches and training. At the moment we have to play home games outside our area at Oxford City F C on Saturday mornings, although we play a few games on a Tuesday evening at Milton United F C when their grass pitch is available.
GB Scorpions	Outside study area	No		Bigger 3G pitch or grass pitch with lights for training in winter

FUTURE DEMAND

ddd) Clubs' Future Plans

Club Name	Site Name	Settlement	Sub-area	Future plans for improvement (club)	Other comments (club)
Chinnor FC	STATION ROAD PLAYING FIELDS (CHINNOR)	CHINNOR	East (South Oxfordshire)	We would love to be able to invest more money in our grass pitches.	
Watlington Town FC	STATION ROAD PLAYING FIELDS (CHINNOR)	CHINNOR	East (South Oxfordshire)	No	The club shares its ground with a Cricket Club. This presents Huge issues, because it needs use of the cricket outfield to place junior football pitches on it in winter, but the overlap in the sports' seasons means that football cannot be accommodated there beyond February. We have simply run out of space. All of this creates a huge strain on volunteers, as we try to juggle the picture to ensure no club is left with a bad deal.
Headington Youth FC	GROVELANDS SPORTS GROUND	OXFORD	North (South Oxfordshire)	Risinghurst & Sandhills Parish Council hoping for new Pavilion building at some stage. HYFC have been undertaking pitch works to help with drainage.	
AFC Henley	JUBILEE PARK HENLEY	HENLEY-ON-THAMES	South (South Oxfordshire)	We are currently in early planning for the Club house - it's in pre planning at present. 3G pitch is in development for (hopefully) 2024. I do not have the plans to hand - but these can be found by contacting Henley Town Council and the FA appointed consultant. Note - this is just for the 3G 11 aside - and whereas this is immensely welcome for training, it increases the pressure on grass pitches for games. We are currently in the early stages of exploring alternate pitch provision / works to extend / expand what we have - eg potentially underground som HV cables / acquire an additional paddock adjacent to our JP site - this would need extensive work. We do have a promised grant from Henley Town Council for pitch provision which we are hoping to make use of this off season and also we are looking into taking on the maintenance	We just need more facilities - our club house is unused as it's so small and not fit for purpose. We do not have enough training facilities to meet demand. Our finances struggle because we use our pitches so much and we need to pay to maintain them / keep them playable - which our grounds team do amazingly well.

Club Name	Site Name	Settlement	Sub-area	Future plans for improvement (club)	Other comments (club)
				of new pitches to be provided as part of a housing development at Highlands Park, Henley.	
Goring Robins FC	SHEEPCOT RECREATION GROUND	GORING	South (South Oxfordshire)	<p>Goring Parish council have had a open space report done by a independent person see link see please look at sheepecot rec ground, Gardeners rec ground and Bourdillon rec http://www.goringparishcouncil.gov.uk/wp-content/uploads/2023/01/Thirlwall-Associates-Goring-on-Thames-Open-Space-Strategy-Report-December-2022.pdf</p> <p>we as a club have been working with the parish to look at a new pavilion and a 3G pitch that was in the football foundation playing pitch strategy https://localplans.footballfoundation.org.uk/local-authorities-index/south-oxfordshire/south-oxfordshire-executive-summary/</p>	<p>we are very good at attracting players as the way the club has gone about including players at any ability and friendly atmosphere with in the club the club has done this by having the qualification of coaches and affiliation with Oxfordshire fa to push the club and promote the FA stance on football for all.</p> <p>we have secured football foundation founding for Goals, Kit, equipment, pitch improvements, tractor, pitch equipment for tractor. we are currently in year 2 of pitch improvements and total grants the sum of £156,000 this is only to aid us with the ware and tear of our pitch being over used we have seen a massive improvement in the 9 grass pitches we have currently players parents visitors dog walkers parish councilors have all seen the benefit of the grants. teams have seen improvement in players ability and last season seen more success then ever before with teams being promoted not only ours but also Goring United with both the men's and ladies first teams both been promoted the last 3 seasons and the men's are 1 step away from tier 7 of the football league. so a 3G pitch would also aid them if promoted this season</p> <p>thank you for taking time to digest my survey</p>
Goring United	SHEEPCOT RECREATION GROUND	GORING	South (South Oxfordshire)	No	<p>There is a local open spaces consultation underway in which the Parish Council will consider the need for pitches in Goring. A 4g pitch would have tremendous advantages for Goring United, Goring Robins, the local schools and teams from villages such as Woodcote. It would cut down on a huge numbe of</p>

Club Name	Site Name	Settlement	Sub-area	Future plans for improvement (club)	Other comments (club)
					unnecessary car journeys out of the village to find suitable training facilities.
Blewbury Amazons Girls FC	WALLINGFORD (imported) (ocassional)	WALLINGFORD	West (South Oxfordshire)	No	The key issue for us as a club is simply space. We want to offer teams at all age groups to enable as many girls to play as possible but the lack of facilities in the area makes this difficult. Any help would be much appreciated.
Cholsey Bluebirds FC	WALLINGFORD SCHOOL (ocassional)	WALLINGFORD	West (South Oxfordshire)	<p>Currently we have no firm plans apart from potentially replacing the current floodlights (including posts) in the recreational ground which we have £12k of club funds allocated towards.</p> <p>We would love to renovate our clubhouse/pavillion as this is in need of improving along with additional storage being included as well as improving the quality of our playing pitches and having a purpose built 3G training facility. At present we have not estimated any costs or put priorities against these.</p>	<p>Cholsey is a village which has expanded greatly over the last few years with more housing and another application for a proposed 350 homes which the village and local council are currently fighting against. We therefore as a club have not only a bigger pool of children wishing to play football but the surrounding towns and villages have also seen population increases without any investment in additional sporting fields to provide for this increased capacity.</p> <p>As a club we have more than 200 children registered with us and this is with only one girls 7 aside team, a few years ago we had 5 teams and we are looking to build back up to this, if not expand on it. With the change in youth football to incorporate mini football this means less children per team but without the increase in space for pitches. For the club to really grow we will need to source over local resources with where to play matches in an area where we are up against local teams (Wallingford & Crowmarsh, Brightwell, Benson, Goring, Didcot) who are all experiencing the same issues.</p> <p>As a village we would benefit greatly from having our own dedicated training facility as currently we have to compete for availability by spreading ourselves out across the local area.</p>
Didcot Casuals FC	LOYD RECREATION PARK	DIDCOT	West (South Oxfordshire)	None at this stage	I look forward to working with you to increase the facilities in the area, we are not the only team in Didcot so i think would be best to make

Club Name	Site Name	Settlement	Sub-area	Future plans for improvement (club)	Other comments (club)
					sure we cover all the requirements of the clubs, i know Didcot Town are a similar size to us and experience te same challenges The other thing to make sure we consider / remember is the club is run by volunteers, we try to keep our membership fees as low as we can so that everyone can afford, our philosophy is "football for everyone". This does mean that whatever solution is proposed needs to be affordable
Didcot Casuals FC	LOYD RECREATION PARK	DIDCOT	West (South Oxfordshire)	None at this stage	I look forward to working with you to increase the facilities in the area, we are not the only team in Didcot so i think would be best to make sure we cover all the requirements of the clubs, i know Didcot Town are a similar size to us and experience te same challenges The other thing to make sure we consider / remember is the club is run by volunteers, we try to keep our membership fees as low as we can so that everyone can afford, our philosophy is "football for everyone". This does mean that whatever solution is proposed needs to be affordable.
Dorchester FC	DORCHESTER-ON-THAMES RECREATION GROUND	WALLINGFORD	West (South Oxfordshire)	Want to improve pitch quality. Improve drainage and grass growth. Would like to improve the sports pavilion, which is owned by the Parish Council. Upgrading of toilet facilities is a priority	
Hagbourne Utd FC	EAST HAGBOURNE RECREATION GROUND	DIDCOT	West (South Oxfordshire)	Our Club Development plans are being worked on for Season 2023/24 as I complete this survey.	We are hoping to get an adult team playing on Saturdays for next season.
Long Wittenham Athletic	BODKINS SPORTS FIELD	ABINGDON	West (South Oxfordshire)	Extension to existing changing facilities at clubhouse, planning permission granted by SODC, ref P21/S2082/FUL as existing and proposed drawings attached. • File: Elevations Existing drwgn0 20101-BPS-XX-ZZ-DR-A-1200

Wallingford & Crowmarsh FC	WALLINGFORD SCHOOL	WALLINGFORD	West (South Oxfordshire)	We have just been awarded a grant from the Football Foundation to upgrade our grass pitches at the Wallingford Sports Park.	We would appreciate closer consultation on issues around facilities and pitch development in the future and an assurance that new developments eg astro would not create extra costs for the club or the members of the club. We would also appreciate access to futsal and cage football facilities for free-play sessions.

eee) Playing Pitch Calculator

Several scenarios have been “run” through the Sport England playing pitch calculator for each sub-area to understand potential demand for playing pitches by the end of the strategy period and for individual strategic housing allocations where there is not yet any confirmation of the provision to be made for sport. The scenarios for these areas have been run for the following:

1. A 0% change in participation rates across all sports;
2. Specific % increases in participation rates agreed with the sports governing bodies, which reflect the most likely change across age groups and sexes;
3. A 10% participation rate increase representing an ambitious “top-end” of change, unlikely to emerge over the long-term for all age groups / sexes based on previous trends but representing ambition if provision for this rate is viable. These higher % increases may be achievable in one or two age groups or sexes.

Scenario 2 participation rates to test were agreed as follows.

Football	Participation Rate Increase
Men 11v11 (16-45yrs)	1%
Women 11v11 (16-45yrs)	6%
Boys 11v11 (12-15yrs)	4%
Girls 11v11 (12-15yrs)	7%
Boys 9v9 (10-11yrs)	4%
Girls 9v9 (10-11yrs)	7%
Mixed 7v7 (8-9yrs)	5%
Mixed 5v5 (6-7yrs)	5%

The playing pitch calculator works by entering the current population for an area, the current number of teams in the area and an additional projected population likely to arise in the area. As noted above, participation rate changes can be entered to allow for potential growth. This can therefore take into account factors such as unmet, latent and aspirational demand, but all figures emerging from the calculator will be “sense checked” during the full assessment process. The results provide the estimated additional number of pitches required to serve demand from the additional population and related costs. The figures do not mean that the suggested number of pitches must be provided in the area to which the scenario relates. The full assessment will “ground” figures from the calculator and apply realistic and appropriate apportionment of the calculator’s figures for demand.

Note: The appropriate way to meet the estimated demand

It is important the results are looked at alongside the findings, recommendations and action plan of the PPS for the area to help determine the most appropriate way of meeting the demand and justifying any resulting proposals. This should include:

1. Using the PPS to understand the nature of the playing pitch sites within an appropriate catchment of the new population along with issues, recommendations and actions relevant to that area.
2. Looking at the different ways in which the demand could be met, including for example:
 - a. Enhancing existing provision to increase its capacity, supported by suitable management and maintenance arrangements to ensure the greater capacity is maintained over the longer term;
 - b. Undertaking works, and ensuring long term maintenance and access arrangements, to secure new or greater community use of existing provision;
 - c. Providing new pitches on new sites (natural and/or artificial grass pitches).
3. Having regard to the Government's regulations, policy and guidance regarding the use of the Community Infrastructure Levy and planning obligations (e.g. the Regulation 122 tests)

Note: If the decision is taken to provide new pitches, then the calculator takes the estimated demand for the use of pitches for matches and training activity and converts this into an estimate of the likely pitch provision required to meet the demand. Indicative costs are also provided to provide this level of pitch provision.

Outputs from the calculator are reproduced below for each sub-area and housing allocation sites where the PPS has the opportunity to influence provision. Full input and output files from the calculator are available if required for further scrutiny.

Given that the population projections for the District provided to us have been derived on a different basis to the basic method we have used for the allocation sites, figures for the allocations sites may not represent an exact proportion of the sub-area total as a whole, but nevertheless provide a good guide for likely demand to arise from the developments.

North Sub-Area

Scenario 1 - 0% change in participation rate

Part 4: Estimated demand and costs for new pitches (matches and training demand) and ancillary provision					
	Number of pitches required to meet the estimated demand	Capital Cost	Lifecycle Cost (per annum)	Changing rooms (number)	Changing rooms (capital cost)
Adult Football	0.90	£101,625	£21,443	1.81	£365,365
Youth Football	3.60	£327,530	£68,781	3.92	£791,655
Mini Soccer	1.88	£60,348	£12,673	0.00	£0
3G	0.34	£386,589	£13,368	0.67	£135,756

Scenario 2 – NGB agreed change in participation rate

Part 4: Estimated demand and costs for new pitches (matches and training demand) and ancillary provision					
	Number of pitches required to meet the estimated demand	Capital Cost	Lifecycle Cost (per annum)	Changing rooms (number)	Changing rooms (capital cost)
Adult Football	0.92	£103,609	£21,862	1.84	£372,501
Youth Football	3.80	£345,210	£72,494	4.12	£832,207
Mini Soccer	1.97	£63,365	£13,307	0.00	£0
3G	0.35	£405,118	£14,009	0.70	£142,262

Scenario 3 – “High” 10% change in participation rate

Part 4: Estimated demand and costs for new pitches (matches and training demand) and ancillary provision					
	Number of pitches required to meet the estimated demand	Capital Cost	Lifecycle Cost (per annum)	Changing rooms (number)	Changing rooms (capital cost)
Adult Football	0.99	£111,787	£23,587	1.99	£401,901
Youth Football	3.96	£360,283	£75,659	4.31	£870,821
Mini Soccer	2.07	£66,383	£13,940	0.00	£0
3G	0.37	£425,248	£14,705	0.74	£149,331

Oxford Brookes University (Wheatley Campus) Housing Allocation (c.500 dwellings)

Scenarios have been run based on a population of around 1,200 derived from an average household size of 2.4 people. This is considered sufficient for the purposes of calculating potential demand for pitch sports from the development once it has been delivered. Changes to the household size would likely be tenths of a whole, which would result in a very minimal change to pitch demand established through the calculator, particularly when making assumptions about pitch number rounding. Figures represent a part of the total for the sub-area and are not in addition to other figures for scenarios run for the whole sub-area.

Scenario 1 - 0% change in participation rate

Part 4: Estimated demand and costs for new pitches (matches and training demand) and ancillary provision					
	Number of pitches required to meet the estimated demand	Capital Cost	Lifecycle Cost (per annum)	Changing rooms (number)	Changing rooms (capital cost)
Adult Football	0.25	£28,383	£5,989	0.51	£102,045
Youth Football	1.01	£91,478	£19,210	1.09	£221,076
Mini Soccer	0.53	£16,854	£3,539	0.00	£0
3G	0.09	£107,970	£3,734	0.19	£37,915

Scenario 2 – NGB agreed change in participation rate

Part 4: Estimated demand and costs for new pitches (matches and training demand) and ancillary provision					
	Number of pitches required to meet the estimated demand	Capital Cost	Lifecycle Cost (per annum)	Changing rooms (number)	Changing rooms (capital cost)
Adult Football	0.26	£28,938	£6,106	0.52	£104,038
Youth Football	1.06	£96,416	£20,247	1.15	£232,400
Mini Soccer	0.55	£17,696	£3,716	0.00	£0
3G	0.10	£113,145	£3,912	0.20	£39,732

Scenario 3 – “High” 10% change in participation rate

Part 4: Estimated demand and costs for new pitches (matches and training demand) and ancillary provision					
	Number of pitches required to meet the estimated demand	Capital Cost	Lifecycle Cost (per annum)	Changing rooms (number)	Changing rooms (capital cost)

Adult Football	0.28	£31,222	£6,588	0.56	£112,249
Youth Football	1.11	£100,626	£21,131	1.20	£243,184
Mini Soccer	0.58	£18,539	£3,893	0.00	£0
3G	0.10	£118,767	£4,107	0.21	£41,707

Land North of Bayswater Brook Housing Allocation (c.1,450 dwellings)

Scenarios have been run based on a population of around 3,480 derived from an average household size of 2.4 people. This is considered sufficient for the purposes of calculating potential demand for pitch sports from the development once it has been delivered. Changes to the household size would likely be tenths of a whole, which would result in a very minimal change to pitch demand established through the calculator, particularly when making assumptions about pitch number rounding. Figures represent a part of the total for the sub-area and are not in addition to other figures for scenarios run for the whole sub-area.

Scenario 1 - 0% change in participation rate

Part 4: Estimated demand and costs for new pitches (matches and training demand) and ancillary provision					
	Number of pitches required to meet the estimated demand	Capital Cost	Lifecycle Cost (per annum)	Changing rooms (number)	Changing rooms (capital cost)

kkk)Numeric Summary of 3G Pitch Supply / Demand and Future Provision

Sub-area	A. Number of 3G pitches required for current no. of teams (and full size equivalent peak hours) *	B. Number of 3G pitches currently in supply (and full size equivalent peak hours)	C. Supply / suggested demand balance (A-B) ^	D. Headroom capacity on existing 3Gs (full-size equivalent hours) **		E. Pipeline 3G pitches (full size equivalent peak hours) ^^	F. Additional 3G capacity required (hours) (calculator scenario 2)	G. Residual number of additional hours on full-size 3G pitches required by 2041 ((C+F)-E)	H. Equivalent number of additional full-size pitches required (club demand) (G/38)	I. Commentary
				Secure	Un-secure					
North	0.85 pitches (32.3 peak time available hours) (for 32 teams)	1 x full-size (38 peak time full-size equivalent hours, <u>although mainly for rugby club use, not football</u>)	0.15 full-size pitches (5.7 full-size equivalent hours)	5.7 hours	-	0	13.3 hours (0.35 pitches)	19	1.5***	The single full-sized 3G in the sub-area is at Horspath and predominantly serves rugby, with only a little time open for football use. The figures mask this position. The use by the rugby club also suggests that any potential headroom capacity is more likely to be used by the rugby club than opened up for additional football use. There are no sand-based AGPs which can supplement provision. There are no proposals with any certainty “in the pipeline”. This suggests that the almost 1 x full-size 3G pitch required for the number of teams in the sub-area remains a key deficit, with additional demand for around 13 hours of demand. Adding demand for the social, casual and informal game would suggest that another 4 or 5 hours of 3G capacity might be needed in the sub-area. This suggests that an aim for 1 x full size and one small (perhaps 7v7) sports lit 3G are needed if training for teams is to be supported. This would also free-up a little time for rugby club growth on the existing 3G at Horspath.

Sub-area	A. Number of 3G pitches required for current no. of teams (and full size equivalent peak hours) *	B. Number of 3G pitches currently in supply (and full size equivalent peak hours)	C. Supply / suggested demand balance (A-B) ^	D. Headroom capacity on existing 3Gs (full-size equivalent hours) **		E. Pipeline 3G pitches (full size equivalent peak hours) ^^	F. Additional 3G capacity required (hours) (calculator scenario 2)	G. Residual number of additional hours on full-size 3G pitches required by 2041 ((C+F)-E)	H. Equivalent number of additional full-size pitches required (club demand) (G/38)	I. Commentary
				Secure	Un-secure					
South	2.3 pitches (87.4 peak time hours) (for 88 teams)	2 x 7v7 (25.6 peak time full-size equivalent hours)	-1.6 full-size pitches (61.8 full size equivalent hours)	7 hours	8.3 hours	95 hours (1 x full size at Bishopswood Sports Ground (Rotherfield Utd) subject to being mitigation from housing at Maiden Erleigh, 1 x 7v7 at Sheepcott Rec. And 1 x full size at Jubilee Park, Henley)	0.75 hours (0.02 pitches)	0	0	32.4 hours potential headroom if pipeline pitches come forward. But if 4.5 – 5 full size equivalent pitches, social, casual and small-sided games could require c.20 hours of additional time (5 pitches x 4 hours), which would be enabled by the potential headroom figure. Also, potential additional full size 3G predominantly for rugby at Rotherfield College (hours for football not counted in figures as unknown and FF funded pitch likely to come forward at Jubilee Park for football use).
West	4.2 pitches (159.6 peak time hours)	0	-4.2 full-size pitches	-	-	0	79.8 hours (2.1 pitches)	239.4	6.3	There is potential for a new 3G pitch at Wallingford Sports Park, where the Trust has an aspiration for a full-size sports lighting pitch to support football and rugby and relieve the sand-based pitch

Sub-area	A. Number of 3G pitches required for current no. of teams (and full size equivalent peak hours) *	B. Number of 3G pitches currently in supply (and full size equivalent peak hours)	C. Supply / suggested demand balance (A-B) ^	D. Headroom capacity on existing 3Gs (full-size equivalent hours) **		E. Pipeline 3G pitches (full size equivalent peak hours) ^^	F. Additional 3G capacity required (hours) (calculator scenario 2)	G. Residual number of additional hours on full-size 3G pitches required by 2041 ((C+F)-E)	H. Equivalent number of additional full-size pitches required (club demand) (G/38)	I. Commentary
				Secure	Un-secure					
	(for 160 teams)		(159.6 full-size equivalent hours)							of football demand to enable the hockey club to grow. This aspiration is not included in the table's figures but there is a clear demand in the area, with a current deficit of 4.2 x 3G pitches. Outside of Wallingford, much of the demand for 3G capacity will arise at Didcot, on the edge of Oxford and Abingdon in relation to strategic housing allocations, and from demand projected to arise from the strategic allocations at Culham and Berinsfield. With regard to the latter, a new 3G AGP (resurfacing) has been installed in 2023 and so is likely to absorb some of the demand for training for football in the area.
East	2 pitches (76 peak time hours) (for 78 teams)	1 x 7v7 (13 peak time full-size equivalent hours)	-1.7 full-size pitches (63 full-size equivalent hours)	0	-	0	24.7 hours (0.65 pitches)	87.7	2.3	There is already under-provision of almost 2 full-size pitches in the sub-area and no pitches currently in the pipeline with any certainty that they will come forward. The additional demand placed on the sub-area from projections to 2041 suggest that the deficit of 1.7 full size pitches will increase to 2.3, suggesting, at least, that around 2 full-size pitches are required to support training for teams. With potential for the casual, social and informal game, an

Sub-area	A. Number of 3G pitches required for current no. of teams (and full size equivalent peak hours) *	B. Number of 3G pitches currently in supply (and full size equivalent peak hours)	C. Additional 3G capacity required (hours) (calculator scenario 2)	G. Residual number of additional hours on full-size 3G pitches required by 2041 ((C+F)-E)	H. Equivalent number of additional full-size pitches required (club demand) (G/38)	I. Commentary
				Secure	Un-secure					
										estimate of 10% of 3G time being required suggests that the requirement could increase to around 3 pitches to 2041. With regard to the impact / contribution of sand-based pitches, the full-size AGP at Lord Williams' School has unsecure community use but sees no football use (only hockey), the small AGP at Whites Field (Chinnor) has a very limited amount of headroom capacity (at the weekend) and the very small AGP at Nettlebed School sees mainly school use. There is therefore very little strategic capacity to accommodate more football play in the sub-area on non 3G AGPs.
Total	9.35 full-size pitches (355.3 hours)	3 x 7v7, 1 x full-size (76.6 hours)	-7.4 full-size pitches (290.1 hours)	12.7 hours	8.3 hours	95 hours	118.6 hours (3.12 pitches)	346.1 hours	10.1 pitches	

Notes: * based upon the FA / FF ratio used of 1 full-size 3G pitch enables 38 teams to train. ** Based on booking records received from providers for one average week during the season. "Headroom" means capacity (hours) not regularly booked for use on an average week during the season. *** adjusted to take into account predominant rugby use of the 3G at Horspath. ^ negative figure suggests undersupply, positive an oversupply. ^^ Based on "pipeline" schemes, with "aspirational" schemes excluded at this stage. Assumed that a new pitch will be available for 38 peak time hours.

III) Impact of Social, Informal and Small-sided Games Demand on 3G during Peak Period

Our estimates of demand for informal / social play is based on a typical use of 10% of total capacity on a pitch (across all pitches, with some therefore higher and some lower than this figure). If the peak period is 38 hours, this means, at a full size pitch, there will be around 3.8 hours of bookings (rounded upto 4 hours), and with most informal / social play being for small-sided games, a full size pitch (100m x 64m) will accommodate 4 bookings in an hour if the pitch is split into four smaller pitches. This estimate has been discussed and agreed with the FA as a realistic assumption to use in the District.

When considering the calculator scenario estimating the number of 3G pitches for training for teams, an additional 10% / 4 hours of peak time is added to the calculated sum of 3G pitches to ensure that additional potential demand from small-sided games is taken into account in future supply and provision of 3G pitches.

mmm) Summary of additional 3G provision required to 2041

Sub-area	Equivalent number of additional full-size pitches required (club demand) (after likely "pipeline" pitches come forward)	Additional demand from social, informal and small-sided games (hours) (based on 4 hours per pitch)	Commentary
North	1.5	Included in 1.5 pitches figure	<p>The single full-sized 3G in the sub-area is at Horspath and predominantly serves rugby, with only a little time open for football use. The figures mask this position. The use by the rugby club also suggests that any potential headroom capacity is more likely to be used by the rugby club than opened up for additional football use. There are no sand-based AGPs which can supplement provision. There are no proposals with any certainty "in the pipeline". This suggests that the almost 1 x full-size 3G pitch required for the number of teams in the sub-area remains a key deficit, with additional demand for around 13 hours of demand. Adding demand for the social, casual and informal game would suggest that another 4 or 5 hours of 3G capacity might be needed in the sub-area. This suggests that an aim for 1 x full size and one small (perhaps 7v7) sports lit 3G are needed if training for teams is to be supported. This would also free-up a little time for rugby club growth on the existing 3G at Horspath.</p> <p>Additional demand from informal, casual and the small-sided game is included in the commentary and overall calculation for the sub-area.</p>

Sub-area	Equivalent number of additional full-size pitches required (club demand) (after likely “pipeline” pitches come forward)	<i>Additional demand from social, informal and small-sided games (hours) (based on 4 hours per pitch)</i>	Commentary
South	0	0	<p>32.4 hours potential headroom if pipeline pitches come forward. But if 4.5 – 5 full size equivalent pitches, social, casual and small-sided games could require c.20 hours of additional time (5 pitches x 4 hours), which would be enabled by the potential headroom figure.</p> <p>Also, potential additional full size 3G predominantly for rugby at Rotherfield College (hours for football not counted in figures as unknown and FF funded pitch likely to come forward at Jubilee Park for football use).</p>
West	6.3	24	<p>There is potential for a new 3G pitch at Wallingford Sports Park, where the Trust has an aspiration for a full-size sports lighting pitch to support football and rugby and relieve the sand-based pitch of football demand to enable the hockey club to grow. This aspiration is not included in the table’s figures but there is a clear demand in the area, with a current deficit of 4.2 x 3G pitches. Outside of Wallingford, much of the demand for 3G capacity will arise at Didcot, on the edge of Oxford and Abingdon in relation to strategic housing allocations, and from demand projected to arise from the starategic allocations at Culham and Berinsfield. With regard to the latter, a new AGP (resurfacing) has been installed in 2023 and so is likely to absorb some of the demand for training for football in the area.</p> <p>The additional demand for informal, casual and the small-sided game relates to the number of additional 3G pitches required to serve demand for training for clubs. However, high numbers of 3G pitches should always be brought forward on the basis of understanding a clear picture of demand and likely use, through feasibility and viability studies, as part of the planning process for actual delivery.</p>
East	2.3	9	<p>There is already under-provision of almost 2 full-size pitches in the sub-area and no pitches currently in the pipeline with any certainty that they will come forward. The additional demand placed on the sub-area from projections to 2041 suggest that the deficit of 1.7 full size pitches will increase to 2.3, suggesting, at least, that around 2 full-size pitches are required to support training for teams. With potential for the casual, social and informal game, an estimate of 10% of 3G time being required suggests that the requirement could increase to around 3 pitches to 2041.</p> <p>With regard to the impact / contribution of sand-based pitches, the full-size AGP at Lord Williams’ School has unsecure community use but sees no football use (only hockey), the small AGP at Whites Field (Chinnor) has a very limited amount of headroom capacity (at the weekend) and the very small AGP at Nettlebed School sees mainly school use. There is therefore very little strategic capacity to accommodate more football play in the sub-area on non 3G AGPs.</p> <p>The additional demand for informal, casual and the small-sided game relates to the number of additional 3G pitches required to serve demand for training for clubs.</p>

Sub-area	Equivalent number of additional full-size pitches required (club demand) (after likely “pipeline” pitches come forward)	Additional demand from social, informal and small-sided games (hours) (based on 4 hours per pitch)	Commentary
Total	10.1 pitches	33 hours	The total figure for additional 3G pitches to serve demand arising from existing and future football use for training and to accommodate demand from the casual, informal and small-sided game is 11 full-size sportlit 3G pitches in the 18 year period to 2041. Clearly, the priority will be to bring forward 3Gs in locations where deficits already exist and where growth is anticipated in the first part of the strategy period (the next 5 years to 2028).

Notes: * Estimate agreed with OFA, as no demand or supply / quality data available / provided.

qqq) Additional capacity introduced by improving “standard” and “poor” quality grass pitches (secure and unsecure) to “good” quality (summary)

A. Sub Area	B. Pitch size	C. Agreed Current Carrying Capacity for Community Use	D. Additional capacity introduced from improving to “good” quality (match equivalents)
East	11v11	19	+12
	9v9	3	+5
	7v7 and 5v5	16	+36
North	11v11	5	+4
	9v9	6	+6
	7v7 and 5v5	16	+8
South	11v11	38	+26
	9v9	6	+6
	7v7 and 5v5	34	+20
West	11v11	60	+47
	9v9	23	+23
	7v7 and 5v5	112	+56

rrr) Additional matches capacity introduced by additional supply of 3G and grass pitches (pipeline projects)

Pipeline projects which have a reasonable degree of certainty are included in this table. Other projects not listed are not sufficiently far through the process to delivery to be included with any certainty and so remain aspirations, referenced as options in the assessment report if demand is apparent in the area.

Sub-area	Site	Pitch Size and Surface	Additional capacity introduced (by grass pitches)	Additional capacity introduced (by 3Gs) (full-size equivalent) – hours	Additional capacity introduced (by 3Gs) – match equivalents on grass pitches at weekend
South	Highlands Farm, Henley	2 x grass 9v9 (additional)	+8		
	Sheepcot Recreation Ground	1 x 3G 7v7		19	+18 (equivalent of around 3 x good quality grass 7v7s)
	Memorial Park, Sonning Common	1 x grass 9v9	+6		
	Jubilee Park, Henley	Full-size 3G		38	+4 (+6 from 3G -2 loss of existing grass pitch)
West	Bullcroft Park	1 x grass 11v11 (quality improvement)	+1		
	Bullcroft Park	3 x grass 9v9 (quality improvements)	+6		
	West of Wallingford (north of and adjacent to Sports Park)	2 x grass 9v9 (additional)	+8		
	Didcot NE	3 x grass 11v11	+9		
	Didcot NE	5 x “junior” grass pitches	+30 (if pitches are mini 5v5 or 7v7)		
East	Watlington Sports Ground	2 x grass 11v11 (quality improvement)	+2		
	Watlington Sports Ground	2 x grass 9v9 (quality improvement)	+4		

Notes: For each full size 3G pitch provided, match play on these pitches supports around 2-4 full-size grass equivalent pitches if matches are played at the weekend during daytime peak hours. This can only be an estimate as the real equivalent “on the ground” will depend on the mix of kick off times, length of matches and age groups using the 3G pitches for matches.

sss) Testing Scenarios

Scenario A - No education sites in supply (which currently have community use)

		Education sites <u>supply</u> (match equivalents / hours for AGPs)										Main Implications	
		Grass								Cricket	3G		Sand / water
		Football					Rugby						
		11v11 adult	11v11 youth	9v9	7v7	5v5	Senior	Junior					
North	Secure*	-	-	-	-	-	-	-	-	-	-		
	Unsecure	-	2	2	4	8	-	-	-	-	-	Losses: Wheatley Primary School (1 x 11v11 youth, 2 x 7v7, 3 x 5v5, 1 x 9v9). The school is currently being used by Wheatley FC as a supplementary ground. Demand on the pitches is estimated as 0.5 match equivalent on each pitch, but loss of use of the school would present a challenge to the club to accommodate demand.	
South	Secure*	-	-	-	-	-	-	-	-	-	-		
	Unsecure	6	4	-	-	-	*	-	-	-	-	Losses: Maiden Erleigh Chiltern Edge School (1 x 11v11 youth), The Oratory Prep School (2 x adult), The Oratory Sports Centre (2 x adult, 1 x 11v11 youth). Reading Utd (2 teams) use the pitches at The Oratory Prep School, while three teams use pitches at The Oratory Sports Centre, representing 2.5 match equivalents lost if the pitches were to be removed from supply. There is potential mitigation of proposed loss of grass playing fields to development at Maiden Erleigh Chiltern Edge School with a new 3G at Rotherfield Utd (Bishopswood).	

		Education sites <u>supply</u> (match equivalents / hours for AGPs)									Main Implications	
		Grass							3G	Sand / water		
		Football			Rugby		Cricket					
		11v11 adult	11v11 youth	9v9	7v7	5v5		Senior	Junior			
												* Two rugby pitches used for training by Henley RFC at Henley College (Rotherfield). No demand recorded to align with RFU preference but loss of use would mean all demand placed upon RFC owned pitches at the club site, as data already records.
West	Secure*	-	-	-	-	-	-	-	-	-	-	
	Unsecure	2	4	3	4	4	-	-	-	-	-	Losses: Europa School, Culham (1 x 11v11 youth, 1 x 9v9, 1 x 7v7, 1 x 5v5), Willowcroft Community School (1 x 11v11 youth), Birinus School – The Triangle (1 x 9v9, 2 x adult). 7 teams use Europa School's pitches representing 3.5 match equivalents across the pitches used. One Didcot Dynamos team (U6s) use the pitch at Willowcroft School, while 11 Didcot Casuals Youth teams use the pitches at The Triangle and would represent a significant level of displacement if use of these pitches was lost, given the level of demand on other football pitches in the town.
East	Secure*	-	-	-	-	-	-	-	-	-	-	
	Unsecure	-	-	-	-	-	-	-	30	-	29	Losses: Lord Williams' School sand AGP (full size) with 28 hours of available supply would be lost, with 21 hours currently used by Thame HC, without which the club would not have a home ground to use in the town, representing a significant loss and risk which should be

		Education sites <u>supply</u> (match equivalents / hours for AGPs)									Main Implications	
		Grass							3G	Sand / water		
		Football			Rugby		Cricket					
		11v11 adult	11v11 youth	9v9	7v7	5v5		Senior	Junior			
												addressed through the strategy. At Nettlebed School, only 4 hours of use would be lost (1 hour full size time equivalent), but this could be significant for the users with the next nearest AGPs at Wallingford and Henley, both of which have little or no available time for additional use. <u>Lord Williams School grass pitches are used by Tame Town CC for 2 senior teams. The club would like to secure this site and create a partnership with the school for a more permanent home. If this site was lost then an 18 match equivalents (or 4 grass pitches) would need to be secured elsewhere.</u>
Total	Secure*	-	-	-	-	-	-	-	-	-	-	
	Unsecure	-	-	-	-	-	-	-	30			

Notes: * Education sites, even with a secure community use agreement in place, are not considered secure enough to provide long-term security.

Scenario B - Supply lost in areas of high deprivation

	Indices of Multiple Deprivation (high levels) – named areas	Pitches excluded	Notes
West	LSOA 006B, Berinsfield Ward	Lay Avenue grass football pitches Abbey Sports Centre AGP Dorchester-on-Thames Recreation Ground grass football pitches	This is the only location in the top 40% areas of deprivation in the country in South Oxfordshire with playing pitches within it. It seems unlikely that this area would be lost to supply with the Garden Village status given to the Berinsfield major housing development

Scenario C – no Artificial Grass Pitches provided

If no 3G pitches are delivered beyond those in the pipeline, for each full-size pitch, an estimated 5-6 full-size grass pitches with sports lighting will be required to replace lost training opportunities provided on weekday evenings by one 3G pitch. These replacement grass pitches would need to be provided to a good quality and would need to drain freely and maintained to a high standard so that winter rain does not render the pitches unplayable during the season.

Management of the pitches would have to assume the same process as that for AGPs – i.e. pitches would need to be fenced off for security and to maintain quality and to be bookable by and reserved for users.

In addition, the additional match day play offered by 3G pitches on weekends equates to around the same amount of play which 2-4 full-size grass pitches can accommodate, depending on the team types, age group and kick-off times hosted. Quality of these would need to be as for those pitches intended for training and could not be simply shared open space in public parks etc. These pitches specifically for matches would not necessarily need to have sports lighting.

In total, therefore, up to 10 full-size grass pitches (at least 5-6 with sports lighting) would need to be brought forward and appropriately managed and maintained to replace a single 3G pitch with sports lighting.

The provision of grass pitches to replace 3G pitches would necessitate a much larger area / footprint with land costs higher than that for a single 3G.

If the policy decision extends to not support resurfacing of existing 3G pitches when the surface reaches the end of its life, grass pitch replacement provision in line with that outlined above would need to be put in place and appropriate support provided for any commercial providers which are dependent on income from their AGP to supplement viability of other facilities and / or pitch provision.

Should a “no AGP” policy extend to other surface types (not just 3G rubber crumb), there could also be an impact on other sports. For example, competitive hockey is not played on grass pitches and only on sand based or “Gen2” surface pitches. Loss of this surface would mean that hockey cannot be played. Cricket uses artificial (non-turf) surfaces for training nets and for training on the cricket square and not using the surface would reduce the ability to train, in particular.

If a no artificial surface policy is supported throughout sports provision, there could also be an impact on a variety of indoor sports which use a “carpet” surface, for example, indoor bowls.
