

# Important information

## HELP TO STOP BIN FIRES!

Please never put used batteries, vapes or electrical items in a bin - they're a big fire risk! Vapes and electrical items should go in a bag next to your black bin on collection day. Batteries go in a small clear bag on top of your green recycling bin.

## TOO MUCH RECYCLING TO GO IN YOUR BIN?

Please put any extra recycling loose in an open cardboard box or in a clear sack next to your green recycling bin.

## BINS NOT COLLECTED?

All bins should be put out for collection before 6am with the lids firmly closed.

You can report a missed collection via our website [southoxon.gov.uk/missedbins](https://southoxon.gov.uk/missedbins) or by calling 03000 610 610. This includes collections for textiles, batteries and small electricals.

You must submit your report by the next working day after your collection was due – by 5pm if you are phoning, or by midnight if reporting it online.

## DO YOU NEED A HAND?

If you have difficulties putting out your waste due to a disability, illness or infirmity please email [waste.team@southandvale.gov.uk](mailto:waste.team@southandvale.gov.uk) or call 01235 422146 so we can arrange to help.

## NEED THIS LEAFLET IN ANOTHER FORMAT OR LANGUAGE?
